Ottawa, 2nd March, 1932.

Dear Colonel Carstairs:-

Many thanks for your letter of the 18th ultimo, and your very kind wishes.

I recall my conversation with your brother and also have reason to remember the very excellent work you have done on many occasions in the past.

The account of your present activities is very interesting and you are to be congratulated on the good work you are doing on behalf of the Veterans' Association.

Yours truly

Arthur Meighen.
