

Ottawa, 17th February, 1906-

Sir,

Referring to your Requisition for January last, in which Patent is asked for in the name of George B. Lemon, for the W. $\frac{1}{2}$ N.W. $\frac{1}{2}$ Sec. 25, Dennis, Sale 319, on improvements shewn by Declaration to exist on other lands in the same Township, I am returning herewith Mr. Lemán's Declaration, for amendment, as it does not shew whether any other lands have been patented on the strength of these improvements. If so, it will be necessary to describe such lands in the Declaration.

In connection with these documents, the Department must insist on greater care being exercised in your office to see that they are correct, before being forwarded, and thus avoid so much unnecessary delay and correspondence.

Your obedient servant,

L. M. Lemon

Secretary-
