MEMORANDUM

*United Nations ✓ ✓
WWII - Combined War Boards*

Secret

For the Prime Minister:

C243599

I am enclosing a copy of a memorandum (C.W.C. document 259), prepared by Mr. Wrong of External Affairs, reviewing the inter-Allied machinery for the direction of the war, contacts with it already established by Canada, and the various courses which we might now pursue. It brings together, in convenient form, information regarding our relationships with the various Combined Boards which is scattered through a good many files and concerns quite a number of different departments.
