 inguinal, Barnhill's method 263
 inguinal, Bassini's method 229
 inguinal, Beck's method 242
 inguinal, Benjamin's method 246
 inguinal, Bishop's method 259
 inguinal, Butler's method 258
 inguinal, Davis's method 260
 inguinal, Deaver's method 264
 inguinal, Dent's method 260
 inguinal, Duplay and Cozin's method 253
 inguinal, Ferguson's anatomic method 280
 inguinal, Fowler's method 234
 inguinal, Freeman's method 268
 inguinal, Girard's method 238
 inguinal, Gratschoff's method 274
 inguinal, Halsted's method 230
 inguinal, Harris' wire suture method 270
 inguinal, Herring's method 245
 inguinal, Hoffman's method 280
 inguinal, Kennedy's method 260
 inguinal, Kocher's method 230
 inguinal, Lanphear's method 237
 inguinal, Leving's method 250
 inguinal, Macewen's method 225
 inguinal, McArthur's autoplatic suture in 269
 inguinal, Nicholl's method 242
 inguinal, Noble's overlapping method 267
 inguinal, Owen's method 263
 inguinal, Park's auto-suture method 238
 inguinal, Phelps' silver wire method 278
 inguinal, Poulllet's method 253
 inguinal, Schwartz's method 249
 inguinal, Smith's method 259
 inguinal, Stinson's method 245
 inguinal, Symonds' method 254
 inguinal, Torek's method 254
 inguinal, Treves' method 259
 inguinal, White's method 259
 inguinal, Woelfler's method 249
 inguinal, Wülfstein's method 241
 in hospital 80
 intestinal complications following 166
 in the home 79
 intraperitoneal 254
 local anesthesia in 358
 materials used by author 45
 permanent results of 213
 preparation of patient for 38
 pulmonary complications of 191
 radical, general discussion of 282
 renal complications of 191
 results of 202
 shock following 49
 special instruments for 44
 umbilical, Blake's method 307
 umbilical, Boeckel's method 308
 umbilical, Champoiniere's method 313
 umbilical, Condamin's method 313
 umbilical, Czerny's method 313
 umbilical, Dauriac's method 308
 umbilical, Deaver's method 308
 umbilical, Gersuny's method 313
 umbilical, Graser's method 310
 umbilical, Mayo's method 304
 umbilical, radical cure of 304
 umbilical, Ransohoff's method 309
 umbilical, Reverdin's method 313
 umbilical, Terrier's method 313
 umbilical, Warren's method 309
 umbilical, Winslow's method 309
 vesical complications in 167
 vomiting during 158
 when should not be performed 33, 34
 Herring's operation for inguinal hernia 245
 Herzen's operation for femoral hernia 299
 Hesselbach, triangle of, methods of protecting 219
