No. 2—"Canada and her Stamp Collectors."

This book, which has just been issued, has been published in response to the request of many of our customers. Its contents comprise a brief and well written history of stamp collecting in Canada, twenty brief and interesting sketches about Canada's twenty leading dealers and collectors. To the above is added a chapter containing much interesting matter on Canadian stamps. Last, but by no means least, comes the directory, which contains the names of nearly 2,000 *bona fide* Canadian collectors. The names in the directory are all fresh, having been collected during the present year. This book is a valuable as well as interesting work. You should possess a copy. Send us your order. Sent post-paid to any part of the world for **25 cents**. Remit per Postal Note or Post Office Order.
