THURSDAY, APRIL 2, 1908.

"Travel seems to be steadily in-creasing on our Nuestro Heights Branch, Ferris," Mr. Goodwin, su pletric Reilway, said to his assi-tiant one morning as he came into the office. "Bertly's car's most al-the office. "Bertly's car's most al-ways is, Mr. Goodwin." Ferris glanc-ed up in the big man's smooth suav-fece as he spoke. "But Bertly's cash-in turns don' this." "But Bertly's cash-in turns don' the set." "That's good, Ben," with a sug-parity is the best conductor we've "Bently's the best conductor we've "Bently's the best conductor we've "Bently's cash-in turns don' the gestive look that half-bewiles the ast down in the push." "That's good, Ben," with a sug-parity is the best conductor we've "Bently's the best conductor we've at an off day or stratch to a pae-tin the push."

Needs looking into the we've please." "Bently's the best conductor we've got, Mr. Goodwin. Five years with-out an off day or scratch to a pas-senger is our record breaker, sir." Goodwin wriggled in his chair. "He's had Monahan at his grip mor'n "He's had Monahan at his grip mor'n

we've in the push." It was the first re-ing sorrowfully over to the power house to fill out in the push." It was the first re-ing sorrowfully over Fort's sugges-sir tive "Don't forget your tally strap new over to the power house to fill out ing sorrowfully over Fort's sugges-ing sorrowfully over Fort's sugges-ing the town honesty that he had over heard from man or woman. Coming from trust with uncounted millions were to they his, and whom he had hitherto to the sting of the car in the would source to the poisoned hint be-to being in one another's company. "You pay your fare or you get off the or in Sixteenth street car passing and rode ing sorrowfully over Fort's sugges-ing fletion, direct upon his twe with uncounted millions were to they his, and whom he had hitherto to the sting of the poisoned hint be-to came momentarily more painful. "What in the world's happened, Tom?" questioned Miss Lefsurely." "He's had Monahan at his grip mor'n half that time, Ferris, an' you know d- well that it's the gripman quite as much as the conducter that pre-vents accident's." "They must work together, sir Monahan and Bentley make as bang-up a team as you can scare up. Any fresh orders this morning, Mr. Good-win ?"

resh of dets can be a start of the stout, rud-dy superintendent. "If you can't con-jure up some way of discovering the leakage on Bently's car, I must take the matter in hand myself, Ferris." "His daily cash inturn to the of-fice averages fully five per cent more than other conductors on our road sir, which you know without my tel-line rou."

wocbegone like." "She's real well just now, thank you, Miss Leigurely," he almost whispered, his-mouth close to her ear, as he handed her up the top step and rang his car ahead. "Fact is, I put in an extra hour last night at my Correspondence University stu-dies, and it was a bit too much for me."

it. There were a score or more of other passengers on the car, and eyes were focussed on Bently when he stepped up to the woman to col-lect her fare. The appeal in her look up into his face were sconeting that would

Monahar and Bentley make as bang-in the push." It was the first re-mother or child, he was about to resh orders this morning, Mr. Good win ?" The question netiled the stout, rud-fy superingendent. "If you can't con-jure up some way of discovering the leakage on Bently's car, I must take believed would trust him likewise, the matter in hand myself, Ferris." "His daily cash inturn to the of-fice averages fully five per cent more than other conductors of on ur road sir, which you know without my tel-ling you." Goodwin's absorption in a commu-rication from the chairman of the bard of Directors of the road, which he was reading, seemed to Ferris to make him oblivious of his reply. Miss Leigured, he swung his revolving chair eard gone through, under the paper weight, he swung his revolving chair ready gone through, under the paper weight, he swung his revolving chair to provide the paper weight, he swung his revolving chair to make a the leiter as he finished it on top of the file which he had al-ready gone through, under the paper weight, he swung his revolving chair to make a the stoll lengt featured to make a the stoll lengt featured to at a having had the manhood to break weight, he swung his revolving chair to make a him oblivious of his reply.

staring so at me for?"

staring so at me for?" A cat can look at the king, I guess, can't he?" At 1 o'clock, when they were re-lieved by the afternoon crew, Bently was summoned to appear in the main uptown office at 3 o'clock, Mr. Goodwing wighted to see him. Goodwin wished to see him.

Ferris was in the office waiting when Bently went in. The certain-ty of fils innocence of any violation of the company's rules or other neg-lect of duty nerved Bently up and gave his countenance a look of fear-less innocence. Ferris met this look with an almost pitful sympathy, which was far from pleasing to Bently

Bently.

noon." "The charge is false, sir. I paid that fare myself and rung it in rathat fare myself and rung it in ra-ther than put her off the car to die in the street, as she said she must.

that lare myself and rung it in ra-ther than put her off the car to die in the street, as she said she must. The register and cash will show the fare was paid and rung in sir." "You'll have a chance to prove that to her, Ben. She's the spot-ter" (opening the private office. "Bently wondered what possible thing occupied in Goodwin's private office. "Morning paper is over there on that other desk, Bently." Ferris said on looking up from the pile of pa-pers in which he had been buried. "Tell Bently to come in here a minute, Ferris," Goodwin ordered, opening the door a crack. "The very sorry this thing has happened, Bently." Goodwin said Ferris, who, in the depth of his sympathy for his friend, scarcely no-ticed it. Nor did he note the mistaken till she explained matters herself. You know as well as I do that we have to be on the lookout

Sure as one can be of anything, sir," was her prompt answer, as she at down. "I was away in the forward end of the car where she couldn't see ine when 1 paid and rung in her fare, sir. I wasn't showin' up my business to her. I had a sort of and took the precaution of having witness to my paying in her fare." Ferris looked bewidered. "Rather a mixed-up affair this-a mistake somewhere. We've got implicit con-fidence in Miss Dascomb, Bently." "Yes, but you'll give a maa a chance to defend himself. You may fire me from the company, of course, state of the source of the source of the source of the source of the said, getting on her feet, her face aboving with measure. "We came

and took the preduction of nivited term from the converse process of society."
Ferris looked bewildered. 'Rather a mixed-up affair this—a mistake may bout to take his."
This unexpected turn in his favor for the moment put words past bot you'll give a man a chance to defond himself. You may five me from the company, of course, but 1 shall insist upon my right to prove my innocence of this thing, if it takes the last cent I've got, Mr. Ferris.
Mr. Goodwin, who had been lisse the last cent I've got, Mr. Ferris.
Mr. Goodwin, who had been lisse to have them during the tell-tale moiss.
"You'l better let this go over till to-morrow, Ferris," he suid, with a sharp glance from Miss Dascomb to Ently. Then he invited the girling in his private office. What passed between them during that half hour.
"You'l better let this go over till the eards are out, Bently." he same the cards are out, Bently." he same the did know "You'l be first to many invitation
"You'l be first on my invitation

"Your disguise was complete, Pau-line," he complimented admiringly. "I doubt if your mother would have recognized you. Yet something in the one brief glance of your eyes which I caught haunted me like the remembrance of a delightful dream. Where did you get the poor sick child?"

office at half-past nine." Ferris almost laughed out loud at

Bently. "There's a charge of failure to collect a fare standing against you, Bently." he said; "that of a feeble old. woman with a sick shild noon." "The charge is false, sir. I paid cumstances. In a fever of distrust and anxiety

Writing on "A Plea for Catholic Social Action," an English publicist says: "We need to organize (or re-organize)) workmen's clubs in such a manner as to produce a generation of Catholic workingmen who shall be thoroughly competent to hold their own in workshop or factory.

their own in workshop or factory, mechanics' institute or public meet-ing with their Socialistic compa-nions. Catholic clubs, instead of being (as they sometimes tend to be) mere places of amusement, where young men loaf and old men vegetate, should, we submit, become herself. You know as well as I do that we have to be on the lookout "You are quite sure Mr. Bently "You are quite sure Mr. Bently didn't collect your fare on his last trip in last night. Miss Dascomb?" Ferris asked, motioning her to a seat. "Sure as one can be of anything, sir," was her prompt answer, as she at down. the training ground of Catholic la-bor leaders and speakers. The men bor leaders and speakers. The men should be systematically trained by means of lectures, debates, personal advice, and the like, to become cen-tres of influence in their district. We should like to see our educated Ca-tholic laity helping in this work.

tholic laity helping in this work. A busy professional man may not see his way to 'entertaining' the members of a club where nothing is done except card-playing and beer-drinkling. But he will be more ready to help if He knows that a body of intelligent workmen are keen to learn from him something that may help them to be more useful members of society."

Pine Syrup Pure Syrup on the series of Norway Pine Syrup contains all the life giving properties of the pine trees of Norway, and of a states. Croup, Whosping Cough and all throat and Lang affortions it is a sport of the series of the se

tall palm, camphor, magnolia, rub-ber, blossoming acacia and other trees. In this fresher air he began to brace up and take on flesh al-most immediately. There were not one-quarter the fares to collect, and he found most of his passengers agreeable and pleasant people to meet.

So Bently's popularity soon fol-lowed him to his new ground of ac-tivity. Mr. Goodwin, in a month's time, bogan to marvel at the in-crease of travel on their Ruralton Branch. The attractive residence su-burb was, of course, growing fast, but that was not all. Nor did the returns of Bently quite come up to the travel on his car, though it was ten per cent. more than that of any other conductor on that run. Geneticia had kent his own coun-

ten per cent. more than that of any other conductor on that run. Goodwin had kept his own coun-sel of late regarding this matter, and was doing a bit of spotting on his own account. He had, in fact, come to almost suspect Ferris of be-ing in some sort of lague with Bently in cozening the company. One afternoon about half past five a rather delicate-looking young wo man with a feeble child in her arms got on the car. Her woekegon look and generally careworn, pinched as pect, seen at closer range, attracted the atchine frequent long-drawn sobs of the poor child told of its suffering. Mo-ther active to soothe and quiet

When Doctors had Given up and the Surgeon's Knife Recommended-A Cure is Made by Dr. Chase's Kidney-Liver Pills.

W. B. Aikens, of Zephyr, Ont. Co. virues that his wife was rescued rom a medical operation for inflam-nation of the bladder by Dr. Chase's admey-Liver Pills. She had taken petors' medicine.

from a medical operation for initian-mation of the bladder by Dr. Chase's Kidney-Liver Pills. She had taken doctors' medicine, but without avail, and when almost resorting to the surgeon's knife this preparition was given a trial, with the above result. This terrible disease may be recog-nized, by the frequent and imperative desire to urinate every half hour alght and day. Urination is accom-panied w.a. a heavy burning pain, fet chiefly .out the bladder. Some-times at the end of each urination blood is passed, while almost inva-riably the urine contains pus and blood. The patient is also Hable to chills, followed by considerable fever There are thousends of persons who although they have not a symtom of any kidney or liver disease take oc-casionally a pill to regulate and as-sist these organs. This prevents, di-sense.
