EPPS'S COCOA**

BREAKFAST.
"By a thorough knowledge of the natural law which govern the operations of the digestion and nutrition, and by careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attach wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

Dr. W. Armstrong, Toronto, writes:
"I have been using Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda for Chronic Bronchitis with the best results. I believe it is the best Emulsion in the market. Having tested the different kinds I unhesitatingly give it the preference when prescribing for my consumptive patients, or for Throat and Lung affections."
