NOTICE.

Particular attention is directed to the formation and construction of the **MAGUIRE TRAP**. Sanitary experts, engineers, architects, plumbers and builders, after subjecting it to the severest tests, have declared it to be worthy of their unqualified approval. Leading physicians also declare that where it is used, typhoid fever, diphtheria, and other infectious diseases are much less prevalent. In the city of Toronto there is a very large and constantly increasing number of these traps being used, and in every instance they are giving perfect satisfaction.

A lost, or neglected, art is hereby restored and brought into universal prominence and demand whereby constipation, dyspepsia, fevers, piles, headache, incipient consumption, liver complaint, kidney and urinary difficulties, nervous and general debility—including the serious effects of secret sins; la grippe, &c., &c., are effectually removed by the re-vitalizing process of nature brought into active and unobstructed play through the peculiar agency of this unique system. The effect on nearly all manner of diseases is truly marvellous. 1891. **Home Grown, Honest, Reliable.**

1891.

I offer you my Vegetable and Flower Seed Catalogue for 1891 FREE. Note the immense variety of seed it contains, and that all the best novelties are there. Not much mere show about it (you don't plant pictures) but fine engravings from photographs of scores of the choice vegetables I have introduced. Would it not be well to get the seed of these from first hands? To be the oldest firm in the United States making mail and express business a specialty proves reliability. Honest and honorable dealing is the only foundation this can rest on. My Catalogue is FREE as usual. A matter on second page of cover will interest my customers. J. J. H.
