BUTCHART'S RESTORATIVE BALSAM.

THIS invaluable Medicine has been sixteen years before the public, and has invariably been attended with unparalleled success,—indeed it may be justly considered INFALLIBLE in the cure of Bloody Flux or Dysentery, and all Looseness of the Bowels, in old or young. Its effects are palpable. Within a few minutes after a full dose has been taken complete relief is obtained. The Medicine is the invention of the late Doctor Burchart, Dundee, who, from long experience and extensive practice, has brought it to its present state of perfection in the cure of the above diseases. The ingredients of which this Medicine is composed are most salutary and beneficial to the human system. A single trial will satisfy any one as to the truth of this statement, and we can with the greatest confidence recommend it to the public as a sure and safe remedy.

To be had only of WM. LYMAN & Co., Montreal, and JOS. BOWLES, Quebec.

NOTICE TO HOLDERS OF DEEDS.

IN a case of Bankruptcy, the Bankrupt placed in the hands of the Assignees a Deed for a Lot of Land acquired by payment at the above-named Tirage—said Lot was duly advertised and sold, supposed for the benefit of the Creditors of said Bankrupt. On examination of the Record, it was found that Mr. Berthelot had fyled his claim as *Proprietor of the said Lot, although paid for by the Bankrupt.* On Homologation of the Contract of Sale, the Court recognised the claim of Mr. Berthelot, and he accordingly received the nett proceeds resulting from the Sale of the Lot.

From the above, it appears that Title Deeds, given to the Purchasers of Lots, and on which a considerable amount of money has been paid, are of no value!!

A MEETING of HOLDERS of DEEDS will be held at my OFFICE, on THURSDAY, the 31st day of July, at FOUR o'clock, P.M., for the purpose of taking the steps necessary for securing possession. All parties in this City SIMILARLY SITUATED are respectfully requested to attend the meeting. The Subscriber's Attorney will be present.

THE "CANADA HOUSE," AT THE ABOVE CELEBRATED AND FASHIONABLE WATERING PLACE,
IS NOW OPEN FOR THE
RECEPTION OF GUESTS.

VISITORS may rest assured the arrangements will be such as to insure every satisfaction—and that INVALIDS will be particularly attended to.

PASSAGE BOARD FOR THE SEASON OF 1851:—
FIVE SHILLINGS PER DAY, or FIVE POUNDS PER MONTH.

Caledonia Springs, 2nd June, 1851.

[Extract of a letter from P. J. Lacerte, Esq., of Montreal.]

I beg to state that on July, 1848, I went to the Springs for the purpose of testing their efficacy in a case of the most violent Rheumatism, under which I had been suffering for several years previous. After remaining at the Springs for about three weeks, and making free use of the Waters, my limbs were entirely relieved from all pain, and my health perfectly restored. Several of my Friends, to whom I have recommended the Springs, assure me that they have experienced immediate relief from their use. I consider the Waters of the Caledonia Springs to be most efficacious in cases of Rheumatism.

To the proprietor of the Caledonia Springs.

Montreal, 4th June, 1851.

DEAR SIR,—In compliance with your request, I have much pleasure in giving you my opinion of the extraordinary efficacy of the Waters of the Caledonia Springs, so long and highly appreciated by the Public, based upon the observations of some twenty-five years' experience, and tested as they have been by a great many patients of all ages and others, laboring under Rheumatic affections and the different forms of disease to which the human frame is liable, I consider them invaluable. Few persons, except those who have ordered from the drossiest malady, can justly appreciate their wonderful salutary effects. Scrofula, in its worst forms, as well as Leprosy, generally called Salt Rheum, and other affections of the skin; in a variety of Dyspeptic Complaints, Chronic Affections of the Liver and Kidneys; and I am sure that a great number of these cases that leave the Springs greatly benefitted, but not completely restored, would have been cured by a more extended use of the spa. Most these Waters have acted in many diseases as a specific, seems to be generally admitted, and so much respectable testimony to this effect has already been laid before the Public, that to me it would be superfluous.

HY. MOORE,
Member of Royal College of Surgeons, London.

To John L. Wilkinson, Esq.,
Proprietor of the Caledonia Springs.

Montreal, 12th December, 1850.

DEAR SIR,—I have to state that I have made use of the Caledonia Waters as a very valuable curative agent in the treatment of many forms of disease. Circumstances enable me to grant you a favorable Certificate with more than usual propriety, many of my own Patients tested the efficacy, and derived great benefit from the use, of the Waters. Of all diseases that have come under my notice, in which a persevering use of the Baths and Waters promises the most beneficial results, Chronic Rheumatism ranks the first. Many of the cures in this disease have been truly astonishing. I met with a case last summer, where the individual, a delicate female, had been suffering severely for more than nine months; she had completely lost the use of her hands, and could only walk a few steps with great pain and difficulty. After a residence of six weeks at the springs, she returned free from pain, and strong enough to walk a considerable distance without fatigue. I have found the Waters useful in Dyspepsia and Urinary Complaints, in Glandular Secondary Syphilis, and some of the forms of Cutaneous Disease.

In conclusion, allow me to add, from a personal visit to your Establishment, that findings fully confirm the acknowledged virtues of the Waters, which combine with the most delightful scenery, and the unwearied care and attention which you bestow to the comfort and convenience of your guests, fully entitled you to a large share of public patronage and support.

I remain, dear Sir, yours very truly,
GEORGE W. CAMPBELL, A.M., M.D.,
Lecturer on Surgery, McGill College.

To the Proprietor of the Caledonia Springs.

Montreal, December 6th, 1848.

SIR,—I beg to state that I consider the Caledonia Waters efficacious in cases of Dyspepsia, Chronic Rheumatism, or where the constitution has been impaired by the injudicious use of Mercury, and ill-treated Syphilis; I would also add, in certain Cutaneous Diseases. I have frequently recommended their use in the above complaints, and witnessed their good effects. I hope that the benefits that are derivable from them may not be lost to society, by the bathing-house and almost universal use they have been lately put to, and like the fate of many of our other excellent remedies, fall into unmerited disrepute.

I have never visited the Establishment, but I have often heard it most favorably spoken of.

I am, Sir, your obedient servant,
JAMES CRAWFORD, M.D.

To the Proprietor of the Caledonian Springs.

☞A FRESH SUPPLY of the above WATERS has been received at the Depot, which can be had at the Counter, or sent to order to any address in town or country. Price of the Water very moderate. 363
