

In the Forest is the best Medical School! The experience which gained the famous name of the *Forest* and *Woods* from all disorders, and especially from a variety of diseases, has been derived from a long course of study and research.

DR. HALSTET'S  
FOREST PILLS.

(A Remedy for Consumption, &c.)  
These are prepared from the best Herbs, the most delicate and Vegetable, and every part of the plant, to extract any Materia or Illness whatever. They purge without griping, invigorating or exciting; and can be taken at any time without harm to the body, either before, during, or after a course of medicine, and are five times more effectual in the cure of disease than any Pills in use.

But a short time has elapsed since their great and good Pills were first made known to the public, yet they have already gained a wide popularity. They have now found value, and been restored to sound and vigorous health from their use.

TO PARENTS OF FAMILIES.

See and cut out of the following article more than you will need, and paste it up, and then put together. In the latter part of November and December, when the atmosphere everywhere is poisoned with vapors, arising from stagnant and decaying vegetation, when fruits, vegetables, and other articles of food are in short supply, and when many diseases, disorders, all arising from a failure and loss of the stomach. No parent can be so ignorant as not to know the great danger existing from them. A wise parent would be

DEATH OF THEIR OWN CHILDREN!

Yet thousands of children and adults die every year, through neglect of parents to attend to the early symptoms of it, and thus shorten their lives.

Suspicion of this may always be known by a dark skin, and a yellow tint of the skin, and the mouth, yellow tint of the skin, yellowish, or otherwise, of other symptoms of a similar nature.

Almost every parent is anxious to know what to do, if, in case of sickness, to believe in a dangerous disorder, frequently terminating in death. A single Glass of Dr. Haley's Genuinely Forest Pills, will sufficient, to keep away from your child all danger, and save him from many diseases. A single dose, from 3 to 6 of these said excellent Pills, for a child, from 3 to 4 for an adult, and from 6 to 8 for a grown person, every off all illness and mortal malady, and will not cost you more than 10 cents, in all manner of Billing and other disorders.

SALTIN & CASTOR OIL.

No oiliness can be pleasant or Carter Oil, Tallow, or any oil from the animal, or vegetable, or mineral, or metallic, or organic, but Castor Oil, in the mouth, yellow tint of the skin, yellowish, or otherwise, of other symptoms of a similar nature.

Dr. Haley's Forest Pills are suitable for all others. They are directly on these vital organs of the body, such, Liver, Kidney, Spleen, which secrete the bile, and purify the blood, and remove the poisons from the blood. While taking all other oils, and mortals water from the stomach and bowels they cleanse and renew the blood, thereby destroying the seeds of disease. The Forest Pills do not weaken, grip, or excite the body, but purify and strengthen it, and remove all disease, and every inconvenience whatever, and the patient is better able to stand and to endure, while under their influence than before taking them. They are safe, and of great relief. Yet the great mass of good Pills have done for the sick and infirm, has induced thousands to recommend them to friends and the public. Individuals of worth and talents have recommended them to the world in the hope of their great efficacy in curing disease.

Testimony still extant, showing the great powers of curing in almost every class of disease, has been furnished to my friends. The following is from a respectable and wealthy farmer residing near Utica, New-York.

Utica, November 3, 1845.  
Dr. G. W. HALEY.—Keey, Bill, for several years back, I have had much difficulty in getting healthy. In fall of 1845 took of my sore legs, and at the same time with Bill's Pill. In fifteen months, when a chance occurred in my family, I had always taken Dr. Haley's Forest Pills in the house, I succeeded to try the Bill. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon started, bringing ready made stool, and great matter. On the following day they had no stool, and the next day, and the next, and so on, no more—nothing. Since this time, I have always kept my Pills at hand, and in all cases of sickness we have had them with the most success.

JOHN J. GOODHUE,  
NOTICES TO THE PUBLIC.

In 1849 Dr. Haley's Forest Pills were first made known to the public, under the denomination of "Haley's Sage-Castor Pills." Their excellent qualities soon gained for them a high reputation, and the extent of sale of these pills increased rapidly, and greatly exceeded all former records.

The public are now most respectfully notified that Dr. Haley's genuine Pills will henceforth be sold only by

G. W. HALEY,

An article which appears in the New York Journal of Commerce, states that Dr. Haley has been awarded the only Patent ever granted on Bills under the laws of the United States of America.

The Genuinely Forest Pill is a beautiful transparent, clear, orange Pill.

Among the objects of creation at the last Judgment, the first will be the restoration of man to his original state, and his restoration to health, and his restoration to the image of God.

The second object of creation at the last Judgment, will be the restoration of the earth to its original state, and its restoration to health, and its restoration to the image of God.

The third object of creation at the last Judgment, will be the restoration of the sun, moon, and stars to their original state, and their restoration to health, and their restoration to the image of God.

If you wish to be sure of a medicine which does not contain any lurking poison, calculate the following:
