CARPENTERS ARE  
ENFORCING RULES

Two Members Fined for Vi-  
lations - Union Holds  
Busy Session.

The Brotherhood of Carpenters  
held a busy session last evening,  
President Brown being in the chair.  
A big gist of communications was  
dealt with, including a convention  
call to the Dominion Trades Con-  
gress, also a report from the On-  
tario Provincial Secretary. The of-  
ficers for the coming year were elected  
as follows:

President—A. G. Brown.  
Vice-President—H. May.  
Rec. Sec'y—C. Packham.  
Fin. Sec'y—H. Dunford.  
Treasurer—A. Hudson.  
Conductor—W. Meates.  
Wardens—A. Mitchell.

The sick committee reported pro-  
gress.  
Charges were read against Bros.  
Smith and Shellington. W. H. Smith  
was fined \$5 and expelled for work-  
ing contrary to trade rules. W. Shel-  
lington was fined \$10 and expelled on  
two charges.

Delegates to Trades and Labor  
Council appointed to attend were:  
Bros. Hudson, Crowie, Brown,  
Mitchell, Hartley and Meates. The  
delegates were strongly urged to at-  
tend the meetings of the council by  
the president.

Adjournment was made till the  
second Tuesday in August.

Distressing Case  
Reported Here

The Imperial Home Reunion Asso-  
ciation of Brantford are investigating  
a very distressing case. An English-  
man residing in this city was bringing  
his wife and four children to this city;  
but not with the assistance of the  
association. The family arrived at  
Quebec, but were not allowed to pro-  
ceed on their journey, owing to a  
medical inspector at that point declar-  
ing that one of the children, a girl,  
was mentally unsound. The father  
declares that she is all right mentally,  
but owing to a slight accident she is  
not very strong.

The father was telegraphed for, and  
he left immediately, arriving at Que-  
bec a few hours after the boat had  
left for England with those nearest  
and dearest to him on board.

Mr. W. F. Cockshutt, telegraphed  
the Superintendent of Immigration,  
and that official wired the agent at  
Quebec that the father was coming.  
The mother had pleaded with the  
agent not to be sent back, but her  
pleading was unheeded.

Last night, at a special meeting of  
the association, the matter was dis-  
cussed, and it is being taken up with  
the Immigration Department. A  
prominent member of the association  
informed the Courier this morning  
that if nothing satisfactory was re-  
ceived, Hon. R. L. Borden would be  
asked to deal with the matter.

Second Money  
For The Stars

In the baseball tournament at Bur-  
ford yesterday the Eagle Place Stars  
took second money, \$40. Teams took  
part from Teeterville, Simcoe, Wood-  
stock, Dundas and Otterville.

Woodstock beat Teeterville 7-2.  
Simcoe beat Dundas 3-1. Stars won  
from Otterville 7-3, and consigned  
the Simcoe boys to the cellar, beating  
them 1-0. Three teams were left in  
the final. In the draw the Stars drew  
Woodstock, who beat them 7-5. This  
gave Woodstock \$60 and the Stars  
\$40 and Simcoe \$25. Plant and Wool-  
lans pitched good ball for the Stars,  
and Banner. In the volleyball game,  
Thorburn's team beat Ransom's team  
21-18. Ladies were present and after  
the game a camp fire was held and  
lunch served.

The 25th Brant Dragon Band gave  
a concert in the evening.

New Shovel  
Is on Strike

"Stop the works," said the Board  
of Works and the new steam shovel  
which has recently been put into  
operation on West St. is taking its  
first vacation. Something went wrong  
between the Board of Works and the  
Brantford Township Council and un-  
til the matter is settled the wheels of  
the machinery will cease to revolve  
in this particular case. A meeting of  
the Board of Works and the Town-  
ship Council is being held this after-  
noon to endeavor to straighten out  
the difficulty.

The Mayor, Ald. Suddaby and  
others refused to state what was  
wrong, but it is surmised there is a  
lack of grease somewhere.

Mrs. T. M. Eastman of Pittsburg  
and Mrs. J. H. Worbs, Cleveland, are  
spending a few weeks with Mrs. J.  
S. Rowe, St. Paul's avenue.

Water Out of Canal.  
The water has been let out of the  
canal to allow workmen to cut down  
the weeds. Residents of Eagle Place  
state that at times the stench which  
comes from the canal is unbearable,  
and is liable to start a fever epidemic.

For Over Half a Century.  
Mr. E. W. Thomas, of Port Huron,  
Mich., in renewing his subscription  
to the Weekly Courier, writes: "I  
have had the good old Courier for  
fifty-five years and I appreciate it  
immensely. I would not be without  
it."

Want Fixed Assessment.  
E. R. Read has written the City  
Council in behalf of the Brantford  
Development Co., asking that they  
be granted a fixed assessment of \$2-  
500 for the next ten years. The  
company claim that they employ  
from 15 to 25 hands and expect to in-  
crease their staff in the near future.

Family Deported.  
Recently Ben Hickman, an Eng-  
lishman residing in this city was  
found to be insane and sent to the  
Hamilton Asylum, previous to being  
deported to the Asylum. Yesterday  
Deportation Officer Argue came here  
and got Mrs. Hickman and child, who  
are to be deported with Hickman.

Kick From West Brant.  
Residents of West Brant are com-  
plaining about large crop of weeds  
and burdocks that are growing on  
Brant street in front of the Agricul-  
tural Park, and are of the opinion that  
the Parks Board should see that these  
weeds are cut down at once, as they  
are neither useful nor ornamental.

At the "Y. M. C. Camp."  
There was considerable fun at the  
Y. M. C. A. camp on Slater's Island,  
last evening. A softball game was  
played, Rainer's artists beating Thor-  
burn's aggregation 10-8. The batteries  
were: Rainer and Brimmer, Thorburn  
and Banner. In the volleyball game,  
Thorburn's team beat Ransom's team  
21-18. Ladies were present and after  
the game a camp fire was held and  
lunch served.

Cleaning Lorne Bridge.  
"Must have a vision coming to  
the city to-day," said a well-  
known citizen to a couple of  
men who were cleaning the  
plank walk on Lorne Bridge this  
morning. "Yes," said one of the men,  
"there is an excursion coming from  
Toronto to-day," said his mate.  
"The only time they clean this bridge  
is when an excursion comes to the  
city." "Wish they would come often,"  
said a voter from West Brantford.

Real Estate Convention.  
The Sixtieth Annual Convention of  
the National Association of Real Es-  
tate Exchanges opens July 28, in  
Winnipeg, and will occupy three  
days. Mr. S. G. Read, a member of

July 31st, the association will take  
the wheat belt trip, which will occupy  
four days, during which time Sas-  
toon, Moosejaw, Regina and Bran-  
don will be visited. It is expected  
that 1,000 of the best real estate men  
in Canada and the United States will  
attend the convention.

Drops Dead at Walkerton.  
A Walkerton despatch says: Joseph  
Taylor, aged 62, night foreman  
at the local power house, was found  
in the office of the plant at 7 o'clock  
this morning, the broom with which  
he had been sweeping out the office  
being still in his hand. A jury sum-  
moned decided that heart failure was  
responsible, he having been seen in  
fainting spells before. The deceased,  
who is survived by his wife and a  
grown-up family, spent the greater  
portion of his life in Brant Town-  
ship.
