ONLY 4 BINGLES
OFF BIG TESREAUNew York Down Brooklyn
Easily by a Score
of 4-2.

NEW YORK, Sept. 27.—With Ira Thomas, Harry Davis and Dan Murphy, of the Athletics, sitting in the grand stand at Ebbets' field yesterday, Jeff Tesreau showed them his best brand of pitching by choking off the Dodgers with four hits, the Giants again winning by a 4 to 2 score. Tesreau received glittering support, especially from Herzog and Shafer, and as the Brooklyners were guilty of the usual headless base-running, the big boxman's task was comparatively easy. Score: New York 4, Brooklyn 2.

WAS AN EVEN BREAK.

Boston and Philadelphia Divided Double-Header.

PHILADELPHIA, Sept. 26.—Philadelphia and Boston divided another bargain day affair this afternoon, the locals winning the first game by 6 to 3, and the Braves taking the second by 10 to 9. The second contest was a contest of heavy batting and sensational innings near the end of the game. Rixey was too much for Boston in the first game, and he would have scored a shutout but for wild throws by Dooin and Lobert. Scores: First game—Boston 3, Philadelphia 6; second game—Boston 10, Philadelphia 9.

Soft Ball

There will probably be ten teams in the soft ball league next season as against 6 teams this season. This was stated by a prominent member of the executive, and there is no reason why it should not be a reality. The teams in the league during the past season enjoyed a lot of splendid sport. There was much enthusiasm, and next year there promises to be a good deal more.

The Ham & Nott team are the champions this year, carrying off the silverware put up by Newman and Sons. This cup, which is a very fine one, was won by the Ham & Nott team in the final game next Saturday. The game this afternoon will start at 5 o'clock, and there should be a good representation of the football fraternity present.

FRANCIS OUIMET
DEFEATED TRAVERSThe Match Was Decided on
the Last Hole.

BROOKLINE, Mass., Sept. 27.—Champion met champion to-day, and Francis Ouimet, America's national open golf title-holder, added to his recent laurels by vanquishing Jerome D. Travers, the National amateur champion. Their match went 20 holes of varying golf before the youth prevailed. Ouimet's victory marked a Boston district against those of New York in the singles division of the preliminary tie for the Lesley Cup.

A gallery of one thousand persons which spread over the links of the Country Club after the Ouimet-Travers match, to the entire neglect of the other nine matches, became so overwrought on the green at the twentieth hole as to commit what President R. C. Watson of the United States Golf Association declared to be "the worst exhibition of partisan feeling in American golfing history, and a disgrace to the sport."

The outbreak followed Travers' ill-fortune in driving into a trap beyond the twentieth hole on his approach. The champions had tied at 18 holes, and had halved the nineteenth, and Ouimet had reached the green in the twentieth with two strokes. Travers' mishap was appreciated to be the deciding break, and the gallery, or a small portion of it, gave vent to its feelings by clapping of hands. When Travers came on the face for a moment, and then turned to the business of extricating his ball. He almost tripped himself again, then failed on a 12-foot putt, and saw the match go to Ouimet when the latter sank a two-foot putt after failing to run down one of eight feet for a three.

Football

The semi-finals in the John Hill Charity Cup series between the Y.M.C.A. and Cockshutt's United will be played at Agricultural Park this afternoon. Both teams are in the pink of condition and the game promises to be one of the best played this summer. The winning team will meet the Holmedale Tigers in the final game next Saturday.

The game this afternoon will start at 5 o'clock, and there should be a good representation of the football fraternity present.

Don't forget to-day's football contests. Pick out your favorites and give them your support by your attendance at the games.

TYPICAL SCENE AT A WORLD'S SERIES BASEBALL GAME.

A glance at above illustration will cause the true fan to tilt back his chair and start relating now the "Red Sox" won the last "world's series." Then he will probably take out his wallet and see if it contains enough of the much desired long green to buy a piece of cardboard that will admit him to the baseball fan's heaven—a seat in the bleachers—at the coming world's series.

ATHLETICS LOST
TO BOSTON AGAIN

Mackmen Played Like Tail-enders and Were Beaten, 10 to 4.

BOSTON, Sept. 27.—The Red Sox made the pennant winners of the American League look like tail-enders yesterday, the score being 10 to 4. Connie Mack sent in four pitchers, but none of them was unhittable. Leonard kept the Athletics hits fairly well scattered. Score: Philadelphia 4, Boston 10.

ST. LOUIS, Sept. 27.—Chicago defeated St. Louis yesterday by the following score: St. Louis, 2; Chicago 3.

NEW YORK WAS BLANKED

Washington Pulled Off Five Nats Double Plays.

NEW YORK, Sept. 27.—The Washingtons spread a network of double plays around the infield at the Polo Grounds yesterday, and every time the New Yorks had a chance to score, they ran into one. The home team was shut out by a score of 3 to 0. The New Yorks jammed themselves up against no less than five of these double plays, and principally for that reason were goose-egged notwithstanding that Joe Boelling laddered out eight bases on balls. Score: Washington, 3, New York 0.

PITTSBURG BEAT CHICAGO.

Adams Allowed the Cubs Only One Run.

PITTSBURG, Sept. 27.—The last game of the local season was played yesterday between Chicago and Pittsburgh, resulting in a victory for the Pirates 6 to 1. Adams pitching for Pittsburgh was in mid-season form. Score: Chicago 1; Pittsburgh 6.

FRANCIS OUIMET, WORLD'S CHAMPION GOLFER.

THE CHAMPION'S RIDE ON SHOULDERS OF ADMIRERS

Mr. Francis Ouimet, the youthful world's champion golfer, is nearing twenty-one and was born in Brookline, Mass., where he attended school until a year or two ago. His parents are French-Canadians, who moved from Montreal to Brookline some years ago. Mr. Ouimet is at present employed by a Boston business concern, but when he was attending public and high school here he played and caddied on the Country Club course, which he knows like a book. It is this knowledge which helped him to overcome the advantage of experience and age possessed by his two competitors, Hay and Vardon, of England.

SPORTING COMMENT

How many world's series tickets did you say you wanted at \$5, \$3 and \$2 each?

That Mayor of Newark surely proved himself to be some baseball fan when he declared a public holiday because Newark won the International League championship.

The curlers in the neighboring towns and cities are beginning to get busy and talk of re-organizing for the coming season. From all reports Brantford curlers will be exceptionally strong this season and when Jack Frost makes it sufficiently cold to make ice, the local knights of the stones will be out in full force. The curlers are looking forward to a most successful year.

Those interested in the work that is being done to stamp out tuberculosis in Canada are to be given a chance of helping the work along by attending the benefit football game this afternoon, Cockshutt's United vs. Y. M. C. A., the proceeds of which will go towards the tuberculosis hospital fund. There is no doubt but that the game will be a cracker from start to finish, the teams being very evenly matched, and some excellent football should be displayed. The game starts at 5.15 o'clock sharp.

It was thought in some quarters that Ottawa sports would be just a little bit peeved because of the fact that the champions were left entirely out in the cold in the recent draft of players from the Canadian league. Down in Ottawa, however, they are finding consolation in the fact that they will not have to look around for players next spring, their team being almost intact and the Ottawa Journal delivers itself of the following: "As the majority of the local players are still youngsters, the chances are that all will be back here in 1914, and Manager Shaughnessy will not have such a search for players next season as he did this spring. The Senators lose one good twirler in Renfer, but by next season Kane and Donovan should be in better shape and ready to look after their share of the twirling."

The long list of accidents to the players of the Toronto team this season has moved President McCaffery to drastic action, says the Toronto Globe. He will suggest that the clubs of the International League each hold a meeting and appoint one delegate to attend at a meeting in the offices of President Barrow to discuss the adoption of different spikes from those now generally used on the shoes of the players. It has long been agreed that spikes are accountable for most of the accidents.

The placing of wagers in connection with the coming world's baseball series has commenced, and at the present moment the Giants appear to be favorites. It is reported in a despatch from New York that a curb broker in New York offered to bet \$1,000 on the Giants at even money, while professional bookmakers and gamblers at up-town resorts are inclined to back the Giants at odds of 7 to 5. Several wagers have already been made at 8 to 5, though the sums are small. One enthusiastic supporter of the Giants, who lost heavily last year, is out with a wager at 8 to 5. It is said that when the time comes for the big speculation there will be plenty of Mack money in sight.

The question of spikes is an old one, and has been dealt with many times without a satisfactory issue. Many contrivances to supplant the sharp and dangerous steel cleats have been brought to the attention of players and managers. Several have been tried, but none has been a success. President McCaffery has offered to try lacrosse spikes, which are of hard rubber and with the permission of those concerned he will equip the Leafs and one of the teams yet to visit Toronto this season with specially made shoes of this kind. It is doubtful whether a fit substitute will ever be had for the present contrivance. Ball players must start and stop quickly, and be firmly set to make accurate throws, as well as when at bat. Many players have been severely spiked putting the ball on runners, and are more or less timid when sliding bases.
