

Destiny Changed.

The "Slater Shoe" is closely watched during the process of manufacture. Every shoe undergoes a careful examination after leaving the hands of each operator.

The slightest flaw in the leather or workmanship—a stitch missed—a slip of the knife, only discernible to an expert condemns the shoe that started toward the "Slater" goal to the ordinary, nameless, unwarranted army of footwear sold to whoever will buy them.

The "Slater Shoe" is made in twelve shapes, all leathers, colors, widths, sizes and styles. Every pair Goodyear Welted, name and price stamped on the soles. \$3.50 AND \$5.00.

OAK LAKE.

On Christmas eve in Oak Lake, a very pleasant evening was spent at our entertainment. The school house was beautifully decorated with evergreens and a Christmas tree laden with presents greeted the delighted children.

A good programme was provided by way of recitations and dialogues in which many of the children took part. Among the pieces much appreciated was a recitation by Edith Vansickle and a dialogue by some of our men and women, "Pumpkin Ridge."

Mr. Judson McIntosh from McMaster University, Toronto, was with us and gave several French and Scotch selections.

Our school house could hardly furnish standing room for all who came. We are very grateful to our friends from Deer Lake for turning out so well and helping us.

A CORRESPONDENT.
