IS YOUR CHILD'S TONGUE COATED

If cross, feverish, bilious, stomach sour, give "Syrup of Figs" to clean its little clogged-up bowels.

Mother! Don't scold your cross, peevish child! Look at the tongue! See if it is white, yellow and coated! If your child is listless, drooping, isn't sleeping, wearily, isn't eating heartily or is cross, irritable, out of sorts with everybody, stomach sour, feverish, breath bad, has stomach-ache, diarrhoea, Sore Throat, or is full of cold, it means the little one's stomach, liver and 30 feet of bowels are filled with poisons and foul, constipated waste matter, and need a gentle, thorough cleansing at once.

Give a teaspoon of Syrup of Figs, and in a few hours all the clogged up waste, undigested food and sour bile will gently move on and out of its little waste clogged bowels without nausea, griping or weakness, and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not dragging your children, being composed entirely of luscious figs, senna and aromatics, it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleaner and regulator needed, a little given today will save a sick child to-morrow. Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

The Brotherhood of Carpenters held a very busy session last evening. After putting through the regular order of business, including the initiation of five applicants, a very enjoyable programme of music, wrestling, etc., was carried out under the good of the order. The members seemed very appreciative of the social evening, as carried out by the free and easy committee, which reflects great credit on the active members.

LATER DESPATCHES

CARRIED SAFE AWAY

(Courier Leased Wire).
WINNIPEG, Man. Feb. 12.—Sometime between six o'clock Sunday night and opening time Monday morning, the post office at Almasippi Man., was broken into and a 500 pound safe taken out through the window and carted away. The safe contained \$200 cash, registered letters, all the books containing the post office records and the accounts of the store kept by the postmaster. The sleigh tracks were followed to a Calumet settlement, where six suspects were arrested and will face the magistrate to-day.

VICTORIA WON.

(Courier Leased Wire).
VICTORIA, B. C., Feb. 12.—After Vancouver had made the play close for Victoria in the first two periods last night, the Victoria team opened up and at the finish of the third period the score was seven to two in favor of the latter. The result puts Victoria in the leadership and it is hardly possible that Vancouver can overcome it. Victoria will probably go east after the Stanley Cup. Last night's game was close for the first two periods, the two teams playing extremely fast hockey, but in the third period Victoria simply went through the Vancouver defence at will. In the second period Lester Patrick and Walter Rowe collided and both were out of the game for some time.

CARRIES REVOLVER

(Courier Leased Wire).
NEW YORK, Feb. 12.—Renewed threats against the life of District Attorney Chas. S. Whitman, because of his activity against police grafters, have caused him, as a matter of precaution, to carry a revolver. Permission to be armed has been granted both to him and to an assistant, F. J. Groehl.

ABANDONED

(Courier Leased Wire).
HONOLULU, Feb. 12.—All efforts to communicate by wireless to the Steamer Aorangi, on which the widow of Captain Scott sailed from San Francisco, February 5, in the expectation of meeting her husband in New Zealand was abandoned after 24 hours of futile signalling. By 3 o'clock it was deemed certain that the steamer had passed beyond the range of the powerful apparatus at the wireless station here and the great stack of messages for Mrs. Scott, received here from all parts of the world to be forwarded at once remain unsent.

(Courier Leased Wire).
WOODSTOCK, Ont., Feb. 12.—George E. Phillips, a well known flour and feed merchant of this city was found dead in the bath room of his house this morning. Phillips was an alderman of this city for five years. It is not probable that an inquest will be held.

(Courier Leased Wire).

Reid, at their home twenty miles southeast of Tisdale, wandered from home on Monday night and in the morning was found frozen solid, quarter of a mile away. The girl wore little clothing and her action is unexplainable. The thermometer registered 35 below at the time. The dead girl was a twin of Allan, who is reeve of the municipality.

ELECTROCUTED.

(Courier Leased Wire).
DANMEMORA, N. Y., Feb. 12.—Frederick A. Poulin was electrocuted at Clinton Prison this morning for

the murder of Charles Leonard at Brookview in August, 1911. Poulin's electrocution leaves the prison death house without an occupant.

When Poulin was without employment, Leonard his friend, invited him to his house. Poulin betrayed the friendship and was beaten and sent away. Early one morning Leonard found Poulin prowling in the cellar. In the encounter Leonard was shot.
