HOW TO CURE TOOTHACHE.

Any aching tooth can be relieved instantly with Nerviline. Fill the cavity with batting dipped in Nerviline and rub the gums with Nerviline also. If the face is swollen and sore bathe the painful parts with Nerviline and cover with a flannel. This can't fail because Nerviline kills the pain outright and prevents it from returning. Quebec, P. Q., March 19.—(Special).

John Ball, a bricklayer, residing at 57 Little Champlain Street, this city, has added his statement to the great mass of proof that Lumbago is caused by disordered Kidneys, and consequently easily cured by Dodd's Kidney Pills of two years. I could not work. I had to get up at mights to urinate so often that my rest was broken. I read of cures by Dodd's Kidney Pills and made up my mind to try them. After the first box I could see and feel a change. Three boxes cured me completely."

Guelph, March 19.—The wholesale thieving which has been going on in the north part of Wellington County, has been cleared up, and, as a result, James Cowan, John Wilden, and Peter Cowan are under arrest, the last at Moosomin, Man. All the towns in the north, including Elmira, Alma, Fairwell, Fergus, Drayton, Harriston, Listowell, Rothsay, Arthur and other places, as well as farmers suffered through the thefts.

James and Peter Cowan, two successful farmers at Rothsay, and their hired man, John Wilden, were suspected. The high constable was of the opinion that the stolen articles, which in-cluded sleighs, buggies, harness, horse blankets, etc., had been taken to the Northwest by Peter Cowan. He accordingly sent a telegram to the North-west Mounted Police at Arcola to search certain cars for the articles when they arrived at Steward, Man. The result was that the articles were

found and stored at Steward, and Peted Cowan was arrested and is now in jail at Moosomin, Man. To a member of the Northwest Mounted Police, Peter Cowan confessed the whole thing, say-ing that his brother and John Wilden had done the thieving.
