WOMEN FROM FORTY TO FIFTY
Interested in Mrs. Thompson's Recovery by Use of Lydia E. Pinkham's Vegetable Compound
Winnipeg, Man.—"Lydia E. Pinkham's Vegetable Compound has done me good in every way. I was very weak and run-down and had certain troubles that women of my age are likely to have. I did not like to go to the doctor so I took the Vegetable Compound and am still taking it right along. I recommend it to my friends and to any one I know who is not feeling well."
Mrs. Thompson, 303 Lizzie St., Winnipeg, Man.
When women who are between the ages of forty-five and fifty-five are beset with such annoying symptoms as nervousness, irritability, melancholia and heat flashes, which produce headaches, dizziness, or a sense of suffocation, they should take Lydia E. Pinkham's Vegetable Compound. It is especially adapted to help women through this crisis. It is prepared from roots and herbs and contains no harmful drugs or narcotics. This famous remedy, the medicinal ingredients of which are derived from roots and herbs, has for forty years proved its value in such cases. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.
Women who suffer should write to the Lydia E. Pinkham Medicine Co., Cobourg, Ontario, for a free copy of Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women."

More Armed Men In Europe Than Before The War
In the first speech he made since he became a member of the British Cabinet, Lord Robert Cecil has made an eloquent plea to the United States to join the League of Nations. He declared he had found widespread sentiment throughout the United States during his recent visit here in favor of the League of Nations. Lord Robert sounded a warning that in many parts of the world war like symptoms were developing which were profoundly disquieting. He surprised his audience by informing them there were more armed men in Europe today than before the world war. He affirmed that the tendency of most of the larger countries was towards greater equipment.
"There seems to have been a conviction during the last few months," Lord Robert continued "that force, violence and bloodshed again are coming into power as instruments for settling international disputes. Now is the time for all nations to erect a barrier against this scourge when the frame of public mind is such that it is passionately anxious for peace."

Ramsay MacDonald Dubs Baldwin An "Enfant Terrible"
Ramsay MacDonald, Labor leader in the British House of Commons, in an article in the New Leader, the weekly organ of Labor opinion, contends that the new government is an old one with a patch or two stuck on it.
He says the great change in the government is in the premier-ship. Premier Baldwin, he says, has health, bodily vigor and is freer to unite the Conservative party than former Premier Bonar Law was. Baldwin does not believe that the British government can bring peace to Europe by sitting still and awaiting events, the Labor leader says.
"I am not at all sure that the Tory party may not find its new leader something of an 'enfant terrible,'" Ramsay MacDonald says. "That all depends on how far he will accommodate himself to his party. His policy is not that of his back benchers and die hards. Before the autumn comes I shall not be surprised if the Tory party were a most unhappy family.

N. B. PROGRAMME OF HORSE RACING
The Fredericton Exhibition Limited announces its midsummer harness racing meeting, and also a three day meet on Sept. 18th, 19 and 20. This meet will be featured by a \$1,500 free-for-all, the biggest money ever offered here, and also by two stake races for maritime bred horses, trotters and pacers each having a class. These will be in a three day card of nine events. The midsummer meet will be on July 18 and 19 and will have six events, the premier of which will be a \$1,000 free-for-all.
The free-for-alls are offered for the head-liners which have been making harness racing in Maine and New Brunswick for the last few years. Such horses as Roy Grattan, Jackson Grattan, John R. Braden, and the Hedgewood horse, purchased at Woodstock, are expected in this class. Horses of slightly less speed are to be accommodated at both meets by junior free-for-alls, for which \$500 purchases are to be hung up.
The mid-summer meet will be under the auspices of the Fredericton Driving and Sporting Club. The programme calls for free-for-all, 2.09 trot and pace, 2.14 trot and pace, 2.17 trot and pace, 2.21 a trot and pace, 2.15 trot. BRITAIN'S GREAT WAR MEDALS
Some idea of the immense amount of work involved and already accomplished in the distribution of the medals and other decorations awarded for service in the Great War may be gathered from the fact announced in a statement from the War-office that since issues commenced, early in 1919 more than 360,000 1914 Stars 145,000 Clasp to the 1914 Star, 1,780,000 1614-15 Stars, 4,700,000 British War Medals, and 4,550,000 Victoria Medals have

1,800 MILES OF RIBBON
The collective lengths of the pieces of ribbon despatched with the stars and medals would extend to over 1,800 miles.
Compared with the issue of the relatively small number of medals awarded for the South African war, and having regard to the steady reduction of the staff of the Medal Branch of the War office during the past two years to less than half its original strength, this process has been remarkable. The failure of many thousands of men to keep the Record-offices informed as to their proper addresses has occasioned endless difficulty in effecting the distribution of both stars and medals to individuals, and practically every day fresh records have still to be made of men who cannot be traced because of their repeated changes of residence.
Belated and doubtful claims have also to be dealt with, and in the end, a final scrutiny of the medal rolls will have to be taken.
Meantime, the distribution of the Long Service Medals, the Territorial Efficiency Medal, and the various war medals for military operations unconnected with the Great War is being maintained. The number of such medals engraved and issued during and since the war is over 23,000 Long Service Medals, 30,700 Territorial Efficiency Medals, 24,500 Territorial War Medals, and 20,000 War and other medals (of 40 different descriptions), together with 74,000 Clasps; and also 12,500 India General Service medals for service in Afghanistan and on the frontiers of India in 1616-21, although progress with the latter has been slower than was expected owing to unforeseen difficulties that have arisen in India. Arrangements are well advanced for the issue of the General Service Medal.
