#### NOTICE!

It has been called to our attention that certain retail dealers in town are substituting Kipperd Herring of an inferior kind for our goods. Some of those dealers even go so far as to place inferior kippers in boxes bearing our brands so as to deceive their purchasers.

Our Kippers can be known by the fact that the head and tail is left on and they are a light bronze color. In addition to our stock consisting of large, fat, Placentia Bay herring, they are processed and sent daily from our smoke ovens at Bay Bulls, so we guarantee the quality. If a dealer finds an imperfect box in his purchase we ask him to return it and get a perfect one.
