#### What Happened in Topsail?

About September last year a city Commission Merchant had a chat with our President in Topsali, and it terminated with a small "try-out" investment of \$115. That little amount grew to the present value of \$300, and pays him \$3.00 every month.

A young railroad man—a friend of ours—invested \$555.00 three years ago. He has since sold \$900 worth, and what he holds is worth \$1,000, while the monthly earnings are \$20. That's peculiar arithmetic, we know, but ask us to SHOW YOU and PROVE IT TO YOU.

despatch of parcels and money to Prisoners of War in Germany are published for the information of the public. The Newfoundland War Contingent Association is appointed by the Central Prisoners of War Committee to handle all matters appertaining to the forwarding of parcels and money to Newfoundland P. of W. in Germany. The N. W. C. A. forward a regular supply from London to Germany as follows:—

This instruction has arisen through an arment with the German Authorities that all parcels forwarded should be packed and forwarded by the association.

Relatives may rest assured that everything possible is being done in London for the comfort and welfare of Prisoners of War

PAPER, 65 ets.; ('LOTH, '90 ets.)
There are few friendships more beautiful than that between mother and son, and rarely has it been more intimately and faithfully described than in this haunting book. The story of a clever, handsome, active, self-willed boy's twenty years of life told only as a proud, just and loving mother could tell it.

A true and human and very beautiful story is "Boy of My Heart," 85c.
