Select a Responsible Investment House

For the average investor, one of the most
important considerations in selling or buy-
ing bonds is to be assured of the character
of the firm with which he is doing business,
its experience and the facilities which its
various departments afford for selling, buy-
ing and investigating the worth of any
security.

As an investment house with eighteen years'
experience in buying and selling high-grade
Canadian bonds we invite you to consult us
in regard to your investment problems.

New Relief For Constipation, "LES FRUITS"

Physicians agree that
with the modern habits of
living, constipation is likely
to be always with us.
They also agree that the
constant use of any drug
for the relief of constipa-
tion is exceedingly unwise
—unwise for two reasons.
First, a drug constantly
used loses its effect and requires a constantly
increased dose. Second, because the constant use
of any drug is bad anyway.

So the cry is constantly going up from the
constipated, "What can we do?" It will be in-
teresting to a great many to know that an
answer has been found in the re-discovery of a
method which was used with great success by
our Forefathers, and in Arabia far back in the
twelfth century. The food is called "Les Fruits"
because it is composed entirely of figs, dates,
prunes, raisins and the leaves of each with the
substitution of the Alexandra leaf for the raisin
leaf. The taste is pleasant, if not to say deli-
cious, and the effect is exceedingly satisfactory.
Try it and be convinced.
