

Satisfaction

Satisfaction in the ownership of a perfect car is the result of deliberate and careful choice.

Willys-Knight Motor Cars give the satisfaction demanded by owners who insist on a car-de-luxe, combined with utility.

Pleasing in its proportions, satisfying in its lines and finish, and equipped with the famous Willys-Knight sleeve-valve engine, your satisfaction is assured. Other engines deteriorate, but the Willys-Knight improves with use.

You should inspect a Willys-Knight motor car.

Serious Accident.

Mr. Stan Turner, 3rd engineer of the S. S. Cape Breton, met with a very serious accident at Sydney about three weeks ago. In some manner he fell into the hold of the ship, breaking his collar bone and fracturing his skull. He was removed to the city Hospital at Sydney, C.B., where he recovered sufficiently to be able to return home by Friday's express. His many friends will be glad to learn that he is on the road to complete recovery, and hopes to be able to resume work in about a month.

Railway Tieup.

The express which left Port aux Basques Thursday, and the one which left Saturday, were both held up owing to the storm. The former is at Gambo, and the latter is at Bishop's Falls. A west going express left Terra Nova at 11:40 yesterday morning but had not reached Alexander Bay up to early this morning. At Notre Dame Junction a special train with plough attached went off the track on Saturday night, and had not been replaced up to last midnight. None of the trains will be able to move till the track is cleared at this end. The conditions along the line are the worst in many years, the drift being from 10 to 15 feet high.

Convent Association Meeting.

The quarterly meeting of the Presentation Convent Association was held yesterday afternoon. The president reported that the receipts from the Bazaar held recently were brought beyond all expectations, and expressed thanks to all those who helped to make it such a success. The yearly report which was read by the Treasurer, showed that the finances of the Association had greatly increased during the year. A vote of thanks to Miss Purlong, the retiring president, was proposed by the Secretary, and seconded by Miss A. Murphy. After the paying of fees the meeting adjourned.
