

NEWFOUNDLAND COAL

Let Newfoundland's Wealth be Enjoyed by Newfoundland's People.

In this Coal Question there is more promise of remunerative results than any other mining enterprise in the Island.

EMINENT GEOLOGISTS and COAL EXPERTS who have visited the property from time to time and made careful investigations and assays are convinced that the areas under consideration contain COAL of CONSIDERABLE COMMERCIAL VALUE.

That there is COAL in the areas referred to has been known for over seventy years, but only during the past year has the territory been receiving the attention that it deserves. An impending world shortage of COAL, serious fuel problems in Canada and the United States, should focus the attention of every NEWFOUNDLANDER on this GREAT POTENTIAL SOURCE OF WEALTH.

THE ST. GEORGE'S COAL FIELDS, LIMITED, a Newfoundland Company, managed by Newfoundlanders, controls the choicest lands in the District of St. George's. The Company's holdings have been selected by experts as the most promising coal areas in Newfoundland.

The Company intends to fully develop these lands which after a year's careful work have been found to warrant complete exploration.

Big Sale Next Week.

Preparations are now under way for one of the largest Sales of Ready-to-Wear for Ladies, Gent's and Boys that has ever been attempted in St. John's. We understand that \$80,000.00 worth of Merchandise is to be offered at forced Sale Prices to the public of St. John's and other places. Sale to last for fourteen days, to begin Tuesday morning next. We understand that this Sale will be of the sort that the Americans take advantage of, to select their wearing apparel for their different seasons. A Sale where you get 200 per cent. for every dollar you spend. Why? Because it is a forced Sale. New merchandise and bankrupt stocks have been purchased for little or nothing, and their quantities being so large that it has overstocked us and in fact over-supplied our trade, that is at regular prices, therefore in order to bring our stock back to the normal standard we are forced to dispose of this gigantic over-supply by a two weeks' sale that will forever remain upon the minds of every purchaser at St. John's or elsewhere. Sale will begin Tuesday. Preparations are now going on in full force. A full page ad. will announce some prices that we will offer at this Sale Tuesday morning.

St. Mary's Sunday School

The annual distribution of prizes took place last night in the Parish Hall. There was a very large attendance of scholars, parents and friends. In fact the hall was overcrowded. First, an interesting programme was rendered by the scholars of the senior and junior departments, and each item elicited much applause from the audience. Then followed the distribution of prizes by Mrs. A. B. S. Stirling, assisted by Mr. G. Badcock, Supt. of Sunday School and the Rector. During the singing of "Abide With Me" a collection was taken up. The Rector made a few closing remarks in which he congratulated the juvenile performers and the teachers who had trained them. The absence of Mr. Chas. Ash, Supt. of the Junior Dept., through illness, was much regretted. The Doxology and Benediction brought a very successful affair to a close.

Beaumont-Hamel Collection.

Owing to last Wednesday being a half-holiday, the canvassing of certain parts of the town was only partially carried through. The collectors will again be out from to-day till all parts are canvassed. The ready response they have received shows that all are anxious that this sacred battlefield should be purchased by the people of Newfoundland.

Notice to Farmers.

It is possible that the Civil Re-establishment Committee may be looking for a number of farmers in the early part of May who may be willing to take on one or two farmer students for six months. Farmers who are willing to do this patriotic duty to returned men are invited to notify the undersigned at as early a date as possible of their willingness to help the Civil Re-establishment Committee by taking one or more students. They should state clearly what facilities they have for giving the students training, and should state minimum and maximum wages that they are willing to pay for beginners and for men who have had previous agricultural experience. They should also state if they are able to board the students. In each case they should state clearly the terms.

McMurdo's Store News.

THURSDAY, April 22.
Menthol Shaving Lotion seems to have all the characteristics of a perfect after shave, and some of our customers have not failed to speak of it as such. It is delightfully cooling and soothing, with just enough sting in it to make it pleasantly refreshing; it dries rapidly into the face; it has a distinctive but not at all obtrusive odor; and it is sold at a moderate price. Good sized bottles, 40 cents. Allen's Antiseptic Corn Plasters literally "touch the spot." The filling acts as a sort of "fender," the medicated center gets in its work on the corn itself, and usually dislodges it in quick time. Price 20c. a pkg.

Church Sociable.

The most successful concert and sociable for a long time was held in the Lecture Room of Cochrane St. Church last evening, when nearly 700 of the younger people attended. The Guards' Band supplied music, rendering many stirring airs. A well-arranged programme of songs, readings and recitations was gone through. This was: Comic Solo, A. Wilson; Reading, Dialect, F. Gushue; Club Singing, H. Wilson; Pianoforte Solo, Miss May Grimes; Duet, Miss D. R. Vincent and Miss Winnie Dowden; and a reading by Miss Flora Curtis. An item which evoked much laughter and amusement was an exhibition of ventriloquism by Mr. J. Wheeler. The Duet by Misses Vincent (Soprano), and Bowden (alto), "Let the Rest of the World Go By," was very beautifully rendered and thoroughly appreciated.
