Here You Are!

Jaeger Underwear, \$5 Garment.

Now that's not the regular price—it is the irregular price. Here's how: Odd garments, broken sizes, but every size represented—left-overs from last year. Bing! Bang! Biff! and we bundled them all into the window under one family price.

Old Price: \$7.50 to \$10 Garment. Now you can get an odd garment to fit in with your own underwear, and pocket the saving. When "the frost is on the pumpkin" and Autumn's nipping hard, snuggle into these downy, clinging, cosy garments; no irritation, no coarseness, no weight to bear you down—"all pure wool," that's the miracle.

Anything from a headache to a serious illness may result from your neglect. Frorrrhea is a dreadful disease.
