### EASY TO TAKE

### Phoradone Cough Cure

is the easiest and most palatable Cough Mixture that we know of to take for the cure of Coughs and Colds.

The proper time to take a mixture of this sort is immediately you feel you have taken cold. Don't wait until you have a cough for two or three days and then commence taking it.

In addition to our regular 35c. bottle we are now putting up what we call a "Family Size" bottle and which you can purchase for 60c., it contains double the amount of the 35c. one and is the best size to always have in the house.

TRY A BOTTLE.

Sold in nearly all general stores, or,

**Dr. F. Stafford & Son**

Important: With every article purchased in either of our stores from 10c. upwards, we give a coupon. The coupons are worth 1c. on every 10c. worth purchased. After you have collected sufficient they can be used as cash to purchase any priced box of Moirs' Chocolates we stock. We have them from 45c. up to \$4.00
