Stable Fittings of Intrinsic Value

"SUPERIOR"

From time to time other makes of Stable Fittings have tried to dispute the place and prestige of the SUPERIOR, but comparison has invariably served rather to quicken a realization of its superiority. There never has been, there will never be in the minds of most men—any acceptable substitute for inimitable quality. The universal adjustment, the rotating fox-tail, the lock-open device, the swivel side, the gravity lock and the close bottom connection of the Sanchion, the double curve partitions, the non-binding swing post, the boltless clamp, the individual lifting wanger partitions the self-venting water bowls, the incomparable charm of the distinctive design, the utter perfection of the most minute details in equipment of a one stall—these features of the SUPERIOR are of real assistance to you who seek the fullest measure of Modern Stable Equipment service.

It was with much sympathy the hearts of this community heard of the death of Rev. Wm. Goodwin, of London, who passed away on the 8th of this month. The deceased had been suffering from heart trouble for the last 5 years, which culminated in death last Sunday week. Born at Richmond some 65 years ago, he is well known here, and beloved by all who knew him in the early flower of his manhood. He gave promise of the rich fulfillment of service to his fellow-men in the golden years that followed in prayer, praise and song to the Giver of Life Eternal. He leaves to mourn his loss his devoted wife and six children, also two brothers, Henry T. Godwin, of Richmond, and Edward Godwin, of Bertrm, Wis. "Gone to the Grave is Our Loved One."

St. Vitus Dance Can Be Easily Cured

A Tonic for the Blood and Nerves With Rest All That is Needed.

Many a child has been called awkward, has been punished in school for not keeping still or for dropping things, when the trouble was really St. Vitus Dance. This trouble may appear at any age but is most often met between the ages of six and fourteen. The most frequent cause of the disease is poor blood, aggravated by indoor confinement, or mental strain at school. Under these conditions the blood fails to carry nourishment to the nerves and the child begins to show listlessness and inattention. Then it becomes restless and twitching of the muscles and jerking of the limbs and body follow. A remedy that cures St. Vitus dance and cures it so thoroughly that no trace of the disease remains is Dr. Williams' Pink Pills which renew the blood, thus feeding and strengthening the nerves. This is the only way to cure the trouble, and parents should lose no time in giving this treatment if their child seems nervous or irritable. Mrs. Wm. A. Squires, Cannington, Ont., says: "My only daughter, now fourteen years of age, was troubled for several years with St. Vitus dance. She was so bad that at times she would lose control of her limbs and her face and eyes would be convulsed. We had medical advice and medicine, but it did not help her. In fact we thought the trouble growing worse, and finally we had to take her from school. About a year ago we began giving her Dr. Williams' Pink Pills and by the time she had taken five boxes she was completely cured, and is now a fine, healthy girl. I firmly believe we owe this to Dr. Williams' Pink Pills and are very grateful for her restoration to perfect health."

You can get these pills from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

ORLO POUND WAS DETERMINED TO GET TO THE FRONT

To the Editor of the Express:

Pte. Orlo L. Pound, who gave his life for his country on Sept. 11th, 1916, has for several years been a contractor and builder in Manitoba, and was at this business at Birtle, Man., when the war began, where he enlisted twice in 1914 and was to go overseas, but was detained through sickness, after which he gave up his business and went to Brandon and enlisted with the 15th Battalion and helped to guard prisoners through the summer of 1915. Two and fifty picked men being called to go to Winnipeg, Orlo was one of them, and acted as secretary until they arrived in England last March, and being anxious to get to the front he applied for a transfer from the staff to the ranks and got it, soon starting for France. He entered the trenches the first of June. He also wrote, "I am Doing My Bit. I have had my baptism of fire and am willing to die if need be."

E. D. Pound is also a brother and is now with the Medical Corps at the front in France and to our kind friends we would express our heartfelt thanks for their sympathy uttered or unexpressed in this our very sad affliction, Mr. and Mrs. J. K. Pound.
