A new industry, we are pleased to notice, is now under way in the village. This is the manufacture of woollen goods by Mr. Vause, who has been engaged the past two or three weeks putting in the necessary machinery. With old one there is no lack of room. The industry will prove of incalculable good to the village, and it is to be hoped that the venture will be success ful. The machinery will be ready for operation by the time wool season com-

We are glad to learn that Mr. Angus Graham has succeeded in passing his inal examination for the degree of M.

Quantity in medicine is no indication of value. Ayer's Sarsaparilla is concentrated and powerful; requires a smaller dose, and is more effective, dose for dose, than other Sarseparilla. It is the best of all blood medicines,

Jacob H. Bloomer, of Virgil, N. Y., writes;
D. Thomas' Edectric Oil cured a badly sweled neck and sore throat on my son in fortyeight hours; one application also removed the pain from a sore toe; my wife's feet was also much inflamed—so much so that she could not walk about the house; she applied the Oil, and in twenty-four hours was entire'y cared.'

SCROFULA

can only be cured by a thorough purifica-tion of the blood. If this is neglected, the disease perpetuates its taint through generation after generation. Among its earlier symptomatic developments are Eczema, Cutaneous Eruptions, Tu-mors, Boils, Carbuncles, Erysipalas, Purulent Ulcers, Nervous and Phy-sical Collapse, etc. If allowed to con-tinue, Rheumatiam, Scrofulous Ca-tarrh, Kidney and Liver Diseaser, Tabercular Consumption, and vari-cus other dangerous or fatal maladies, are produced by it.

Ayer's Sarsaparilla

the only powerful and always reliable blod purifying medicine. It is so effected an alterative that it eradicates from the system Hereditary Scrofula, and the kindred poisons of contagious discusses and mercury. At the same time it enthese and vitalizes the blood, restoring healthful action to the vital organs and rejevenating the entire system. This great Regenerative Medicine
