VOTERS' LIST REVISION. On Monday forenoon, at 10 o'clock, the ourt for the revision of the Ontario voters' list will be held at the Court House.

Unless otherwise notified, every person who has applied to have his name put on the list by the agents of the Liberal party must attend in person and answer the simple questions necessary to guaranteeing him manhood suffrage.

The Liberals have not applied to have any names removed from the list, knowing that a bad vote can be attacked at the polls, and being unwilling to compel any citizen, whose qualification is in doubt, to go to the court to defend his vote.

On the part of the Conservative Association, many good votes are assailed. Those who have been supbœnaed must attend, however inconvenient, or run the risk of losing their franchise.

The intention of the court is to take up the application to add first, beginning with the names put in by both parties for No. 1 division of No. 1 ward, and so on till the list is exhausted.

As there is a possibility that a by election may take place on these lists, every citizen affected should strive to be on hand when his name is called. By-and

There is already quite an undercurrent of ill-feeling between the two departments on this question, and Chapleau, never discreet, is liable at any minute to blow on the whole business.
