rape. Do good constantly, patiently and wisely, and you will never have cause to say that life was not worth living. In going from this country to England the average screw of a steamer

exhausts himself physically, but mentally; not only muscularly, but nervously. The consequence is that while he is better fed and better housed, he is not, as a rule, as healthy a man as his brother working-man of European countries. Moreover, like all Americans, the American working man is prone to disregard his health and frequently even takes pride in abusing it. It rests with American wives to protect their husbands in this respect. A little watchfulness on the part of the wife will frequently save her husband from a long spell of ill-health and possibly from some fatal illness. When a man feels "out of sorts" it is because his digestion is dis-ordered or his liver is torpid. Dr. Pierce's Golden Medical Discovery will promptly correct these disorders. It is the great blood-maker and flesh-builder. It restores the appetite, makes digestion perfect and the liver active. It purifies the blood and tones the nerves. It cures 98 per cent. of all cases of consumption, bronchitis, asthma, weak lungs, lingering cough, spitting of blood and disease of the throat and nasal cavities. Thousands have told the story of its wonderful merits in letters to Dr. Pierce. It may be had at any medicine dealer's. "Your 'Golden Medical Discovery' cured me of a severe case of poisoning of the blood, writes Mrs. Selia Ricca, of Coast, Santa Cruz Co

Cal. "That was two years ago, and I have not had a boil or sore of any kind since." It is as easy to be well as ill-and much more comfortable. Constipation is the cause of many forms of illness. Dr. Pierce's
