You need this coat

Sweater Coats

E XAMINE one at your local merchant's and you will agree that nothing

nearly every day in the year

and you will agree that nothing you own is more beautifully made nor more exquisitely

finished. Try one on, and you see that it has the snug. stylish fit your taste exacts. Subject it to hard wear

and learn that it retains its new, smart shapeliness.

It must do that, for our Pen-Angle knitting process

shapes these improved sweater coats into permanent

fit. Thus they cannot become saggy or ill-fitting, as

many garments do that resemble them in appearance only when brand-new. You will be lastingly satisfied with the sweater coat that bears this trademark.

\$20,000 SURPLUS FOR CITY COUNCIL

Auditor's Report Shows Civic Finances To Be in Excellent Shape.

the Country.

Since the publication of the story concerning the Spanish swindle attempted on London businessmen, the second stage of which was revealed in The Advertiser of Monday. It has been made known that several hundred letters of the kind that reached Mr. Robert Hueston were received in this city.

Many businessmen have come to The Advertiser or called the office by telephone and all have told of behnoffered the chance to make a hundred thousand or so by ..lexander Sadrow-

cover. The trouble, it appears, was over a young lady whom Johnson was keeping company with.

thousand or go by .lexander Sadrowsky.
Each of their have heard of
other persins who have been interviewed by mall in the matter, and
would appear that the city was literally flooded with the phony documents.

"Some unsuspecting persons with
money might have thought they were
doing a good act in helping the swindier," said one merchant. "For this
reason it was a splendid thing for Mr
Hueston and The Advertiser to show
up the thing. The weak point in the
whole story was where Sadrowsky
stated that he ad written to only
one person. It would be well if other
newspapers in the district showed up
the scheme, for there is no doubt that
it has been attempted broadcast."

LEFT TO ENGINEER

Committee of County Council Will Not Interfere With the Work.

Was Cured

The special committee of the county council having charge of the work.

The special committee of the county council having charge of the work now in progress at the court house and jail met Monday afternoon and discussed the advisability of allowing the building operations to continue during the winter months. The matter was left in the hands of the county engineer, who has power to act in any manner agreed upon as in the best interests of the job, by himself and City Architect Nutter.

countries were in excess of the de- over a year ago, with the loss of 2 the deas an lives, opposing counsel are planning amount first to establish the fact that the Los Angeles Times building existed at the intersection of First street and Broadway, and that it was a building of a certain sort. To this end, elevation sketches and floor maps have been prepared by experts, and it is possible that days will be spent after the jury is secured in introducing identifying and labelling these exhibits. The models are cut away so as to show the interior of the building, with thy shops, printing presses, office furniture, elevators and electrotyping machinery, all made to scale and all in place.

"Incidentally," a driveway which en-

place.
"Incidentally," a driveway which entered the building proper, will be shown, as will another alley north of the building, in order that no jury may be confused in any testimony given regarding either of these points. When this part of the work is done, the prosecution expects to start the presentation of its case against James H. McNamara.
