## Horse Races Were Excellent

### GOOD SPORT AND GOOD CROWD.

For the first time in Waterloo, ice races were held on the dam yesterday afternoon, and although the weather was bitterly cold, there was a good crowd of spectators present, who thoroughly enjoyed the sport. The racing was keen in every heat and there were some exciting finishes. There was only one real spill during the afternoon, when in the second heat of Class A, Mamie Bell slipped and fell. Her driver had her on her feet in a second, and mounting the horse's back, finished second amid great excitement. The track was laid out on the outside of the dam and was perfect for racing. In Class A, Easy Bird owned by Chas. Moyer of New Dundee won the purse winning the 2nd, 3rd and 4th heats. In Class B, Ed. Shantz's Bertie Bryno proved the best, although it was a hard fight to oust Baron Monk. The Committee having the races in hand are to be congratulated on their enterprise and it is to be hoped it will be an annual affair. The result of the races were as follows:

#### Class A. Purse, \$50.00.

Heat 1 2 3 4
Easy Bird, C. Moyer, N. Dundee 2 1 1
Mamie Bell, W. Hall, N. Dundee 2 2 2
Jesse Dillon, Bailey Bros, Guel. 4 3 3 3

## NO SECRETS

PEOPLE OF BERLIN MAY KNOW WHAT IS IN THE MEDICINE THEY TAKE. AN ENTERPRISE WHICH MERITS THE ENDORSEMENT AND HEARTY SUPPORT OF THE PUBLIC

Health should be more seriously considered and safeguarded. The Government have partially awakened to the fact and now compel the publication of certain ingredients of the packages of medicines that contain them. That was a step in the right direction, but did not reach far enough.

The public should know and be told about every ingredient of every medicine they take. In my business of selling drugs and medicines, we are compelled to tell what the public demands, even though some medicines we sell contain drugs injurious to the good health of the person using them.

I have often attempted to overcome this evil, but I was almost powerless until I became affiliated with about three thousand other leading druggists of the United States and Canada in a co-operative enterprise, known as the United Drug Company, Boston, Mass. and United Drug Company, Limited, Toronto, Canada. Through this large co-operation of druggists it was possible for experts to travel over the country for more than two years in search of extraordinary remedies. When they found a remedy that was perfect they purchased its prescription. The druggists themselves also contributed prescriptions that they knew to be good through their having been continually prescribed and successfully used by eminent physicians.

In this way about one thousand different prescriptions were collected. These were then carefully classified and remedies compounded from them and thoroughly tested by actual use for a long period under the supervision of a committee of expert chemists and physicians, until about three hundred different remedies were selected as being the best for the treatment of certain ailments or diseases.

I am now able to offer these remedies of known and proved curative value to the people of Berlin. I will

truthfully tell anybody all about them, explain what they contain, and give my own personal guarantee that they are and will do exactly as I represent, or they will cost the user nothing. These medicines are called "Recall Remedies," which means King-of-all. There is one specific remedy for each human ail. Therefore no one remedy is a "cure all."

I earnestly urge you, my neighbors, friends and acquaintances to use Recall Remedies on my personal, post-ve guarantee that you pay me nothing if for any reason they do not prove entirely satisfactory to you. Now, you must realize that when I make this bold statement, I must be absolutely positive that I can back it up to the entire satisfaction of the public. Other wise, I would lose your friendship and patronage, ruin my business and suffer a very severe financial loss.

I make this statement with a full understanding of what it means to me, and because I am certain I can make it good. I know all about the Recall Remedies, what they contain and their power to do great good for suffering mankind.

Recall Dyspepsia Tablets was the first Recall Remedy made. They are composed of the well-known properties of Bismuth Subnitrate, Pepsin, Carminatives and their agents, in perfect combination. They are incomparable and invaluable for the positive cure of Indigestion and Dyspepsia, whether acute or chronic. I urge all in need of such a remedy to try Recall Dyspepsia Tablets at my risk. Three sizes, 25c., 50c. and \$1.00.

When you purchase Recall Remedy you are buying health insurance, and I do not believe I could sell you anything with a more secure and liberal guarantee. When you are in need of medicine, remember this offer and take advantage of it. A. J. Ross.

#### Class B. Purse, \$25.00.

Mrs. Geo. Correll, of Toronto, and Mr. and Mrs. J. J. Barry, of Hamilton, have returned home after spending the holidays with their mother, Mrs. John C. Froelich, King Street.

The firemen were called out to a chimney fire at Mr. W. Carthews residence on King St. last night about 10:30 o'clock, but luckily their services were not required.

BORN in Waterloo on Jan. 3rd to Mr. and Mrs. J. Eggert a son.

## Acadian Club Opening a Big Success

### ENTERTAINMENT PROVIDED THE BEST EVER.

The opening of the Acadian Club's fine new club rooms was held last night and it proved a big success in every way. A banquet was held in the Commercial Hotel early in the evening and excellent spread was provided by Mine Host Raisin. Starmans Orchestra were in attendance and while the good things were being disposed of dispensed excellent music.

After a hearty vote of thanks had been passed to the committee the gathering adjourned to the club rooms where an entertainment was given

after which the crowd tripped the light fantastic until the wee sma' hours of the morning. Mr. Will J. White, and Miss Francis Wright of Toronto had been engaged to entertain the members and their friends and they certainly made a hit. Miss Wright by her handsome winning ways soon became a favorite and her different numbers were enquired to the echo. Will J. White is no stranger to a Waterloo audience but it is doubtful if he ever appeared to better advantage than last evening. Mr. White is considered one of the top notchers in his profession and he more than upheld his reputation last evening, especially good was his parody on "Felix" and the crowd could not help but join in the chorus. Starmans Orchestra supplied the music for the dance in their usual accomplished way, taking the evening all through it was one of the best ever held in town and again we congratulate the Acadian Club on their success.

**TO CURE A COLD IN ONE DAY**  
Take LAXATIVE BROMO Quinine Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

#### A Shooting Affair.

Sherbrooke, Jan. 4.—A shooting affair is reported from the "Green Herd Mines." It appears that several people had gathered at the home of one Moise Carrier, including two brothers, named Boutin. During the day, one of the Boutins went upstairs and brought down a rifle. Carrier tried to get it away from him, and in the melee the rifle was discharged, and the bullet entered the shoulder of the Boutin, who was lying on the sofa. He is not expected to recover.
