PARLIAMENT WILL REST

From May 23 to July 18 while Sir Wilfred is in London.

In Ottawa it is expected that by May 23, the sessional programme, apart from the reciprocity agreement, and perhaps a portion of the supply bill will be put through. In the case of items not voted an interim supply bill sufficient to cover a period of several months will be voted, and the house will adjourn till July 18.

Is there anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life and must be digested and converted into blood. When the digestion fails the whole body suffers. Chamberlain's Tablets are a rational and reliable cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy action. For sale by all dealers.

LABOR PARTY WILL GO INTO POLITICS

Montreal, May 14.—At a meeting of the executive board of the Montreal national trades and labor council yesterday, it was decided to organize a political labor party in connection with the coming election and to place labor candidates in several constituencies in eastern Canada. The new labor party will be conducted on lines similar to that of the British labor party—half Socialist.

DECISION AGAINST BELL TELEPHONE CO.

Toronto, May 11.—Chairman J. P. Mabey, of the Dominion Board of Railway Commissioners, has granted the application of the eleven independent telephone companies of Western and Central Ontario for an order compelling the Bell Telephone Company to give those companies long distance connections over the Bell company's system.

Tom Longboat is the talk of New York for his grand performance at Celtic Park in the star champion ship race. Quasi was the luckiest man in the world to win. The heat bothered Tom a great deal, but, notwithstanding he overhauled all obstacles, and there wasn't one in the 10,000 that witnessed the race not of the opinion that had it been half a mile farther that Tom would have come in the winner. As it was, he beat all others hands and speed, class, extreme speed and unlimited gameness. But for the heat there would have been a new record. A race over the Marathon distance between Longboat and Holmer would be of interest.

OPERATION HER ONLY CHANCE

Was Cured by Lydia E. Pinkham's Vegetable Compound
Lindsay, Ont.—"I think it is no more than right for me to thank Mrs. Pinkham for what her kind advice and Lydia E. Pinkham's Vegetable Compound has done for me. When I wrote to her some time ago I was a very sick woman, suffering from female troubles. I had inflammation of the female organs, and could not stand or walk any distance. At last I was confined to my bed, and the doctor said I would have to go through an operation, but this I refused to do. A friend advised Lydia E. Pinkham's Vegetable Compound, and I took it. I feel like a new woman. I most heartily recommend this medicine to all women who suffer with female troubles. I have also taken Lydia E. Pinkham's Liver Pills and think they are fine."—Mrs. FRANK KENNELLY, Lindsay, Ontario.
We cannot understand why women will take chances with an operation or drug out a sickly half-hearted expectant, missing three-fourths of the joy of living, without first trying Lydia E. Pinkham's Vegetable Compound. For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, sterility, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration.

GREAT AVIATION EXHIBITION IN ENGLAND

London, May 13.—The most remarkable exhibition of aviation seen in England was given today under the auspices of the parliamentary aerial defence committee. Fourteen airmen, including Claude Grahame-White, Mons. Bleriot, the French aviator, Robert Loraine, the actor, and Captain F. S. Cody, performed various feats designed to show the utility of aeroplanes for war. Four styles of bi-planes were used.

In addition to the bi-plane two styles of mono-planes were employed. The manoeuvres were held at Hendon just outside the city. J. Armstrong Drexel, who participated, had a mishap in which he was considerably bruised and cut and his machine smashed. He was starting a flight when he dropped from a height of a few feet. He rose from the wreckage and was able to walk from the field.

The tests included scouting, dispatching carrying hand bomb throwing by Grahame-White who dropped a hundred pound missile and balls. Messages were taken to Aldershot and replies brought back. A fleet of aeroplanes armed with machine guns attacked an army dirigible balloon.

W. M. AITKEN LAUGHS AT CHARGES.

London, May 16.—On his arrival here yesterday W. M. Aitken, promoter of the Canada Cement Company, was interviewed by the Canadian Associated Press in regard to Sir Sanford Fleming's inquiry into the Canada Cement Company's \$12,000,000 alleged misappropriation. Mr. Aitken exclaimed laughingly: "It's a lot of money, I suppose you expected to find some of us knocking about here." He added, more seriously: "I have nothing to say. I have ceased treating this gentleman seriously for a long time past."

Mr. Aitken added, he had not been a director of the Cement company for some time.

RE BANKS

Mr. Lewis of Huron has introduced in the Canadian Commons a bill "To amend the Criminal Code respecting banks," which would make compulsory an eight hour day for bank employees except for tellers (whose hours are shorter) and on balance days, and would severely punish any undue preference to certain creditors, the making of any consideration other than salary from bank with which one is employed, and assisting in the creation of any watered stock in the institution.

"Dr. Sprule suggested that in the bill 'The bankers' embargo on marriage should be made a punishable offence.' He would place 'A very severe penalty on this interference with personal rights, which should not be allowed to exist in any civilized country.'"

The comments of Mr. Lewis and Dr. Sprule were, we understand, vigorously applauded by members on both sides of the house, but the leaders were, evidently, silent, and we doubt whether the gist of the bill will be adopted by the government in their new banking act now being prepared.

The Banks have far too many privileges and far too much power in this country. Their autocratic powers should be greatly reduced, or, better still, the banking institutions of the country should be run directly by the government for the benefit of the whole people.

AT LAST, A CURE FOR RHEUMATISM

"Fruit-a-lives Cured Me" Says Mrs. Baxter.
"I was a helpless cripple from Rheumatism for nearly a year. All down the right side, the pain was dreadful and I could not move for the agony. I was treated by two physicians without help. I saw 'Fruit-a-lives' advertised in 'The Telegram' and decided to try them. After I had taken one box, I was much better. When I had taken three boxes, I could use my arm and the pain was almost gone. After taking five boxes, I was entirely well again. The cure of my case by 'Fruit-a-lives' was indeed splendid because all the doctors failed to even relieve me. 'Fruit-a-lives' cured me."
MRS. LIZZIE BAXTER.
4 HOME PLACE, TORONTO, Dec. 15, '09.

"Fruit-a-lives" the famous fruit medicine cures kidneys, liver, bowels and skin, and prevents the accumulation of uric acid, which is the prime cause of Rheumatism.
