

Specialist Said ECZEMA Was Incurable —but he reckoned without Zam-Buk

Writing from Sweetwater, Tenn., U.S. Capt. Oscar V. Petty, says:—"For four years I had an obstinate dry eczema. My skin peeled off, and disfiguring spots of the eruption appeared on my face and head. A well-known skin specialist said the eruption could not be cured, but friends out in Maine got me to try Zam-Buk. To my great delight, I soon saw an improvement. The peeling skin stopped within a week. At the time I started with Zam-Buk the eczema had spread all over my body, so that it took reasonable perseverance for the balm to be thoroughly effective. However I am delighted to inform you, that now, by the use of Zam-Buk, my skin has been restored to normal healthy condition."

"I have a friend who also suffered from a similar distressing skin affection. In his case too, within a few days Zam-Buk was acting splendidly. He tells me that Zam-Buk beats anything he has ever known."

Zam-Buk cannot be equalled for skin eczema, skin eruptions, ringworm, poisoned wounds, and all other skin troubles. Purify blood. All dealers in the U.S. for \$1.25. FOR TRIAL SAMPLE, enclosing paper and send to: postage to Zam-Buk Co. Toronto.
