THE FORWARD MOVEMENT

The leading Protestant churches in Canada are now in the very midst of the Forward Movement in their respective churches. It is sometimes asked: What is the Forward Movement? Through this movement it is hoped that the Church will learn her shortcomings, her needs, and realize her opportunity, and thus awakened and repentant, equip herself with workers and means to carry on with renewed spirit the work God is calling her to do in this New Day. It is also asked: Why a Forward Movement? It is necessary because the church has to face after war conditions in Canada and abroad, also the problems and responsibilities of peace. The future freedom of the world, from war, depends upon the faithful and efficient work of the Church. Let Watford and vicinity respond very nobly to the call of the New Day.

The Old Order Changeth

Our trustees held conclave in Ottawa last week and one of the interesting recommendations arrived at was that the entrance examination should be abolished. This, we are told, was carried almost with unanimity.

It appears that this examination, in the case of some pupils, is a barrier to entrance to the High School. The logic of removing the barrier is perfect. The old guy who said twenty centuries ago that there was no royal road to learning was not only in error, but, as well, is much out of date.

Here we have a plan to make the road royal, but it does not go far enough. Why should there be any impediment, not to learning, but to educational distinction? Why may not the youth saunter in his unimpeded way, up through the high school, the university, and later the colleges of law, medicine, theology, pharmacy and dentistry without ever being placed in the embarrassing position of having to set down in black and white evidences of what he knows and what he doesn't know? A path wholly smooth is surely much better than one but a little smooth.

Obviously the next point of attack is the high school, and we advise the boys and girls there to see to it that they are no longer annoyed by the bothersome examinations that mar the beauty and serenity of every passing summer.—Welland Telegraph.

AN EXCELLENT MEDICINE FOR LITTLE ONES

Baby's Own Tablets are an excellent medicine for little ones. They are a mild but thorough laxative which sweeten the stomach and regulate the bowels thus bringing relief in cases of constipation, indigestion, colic, colds and simple fevers. Concerning them Mrs. L. J. Chiasson, Paquetville, N. B., writes:—I have found Baby's Own Tablets excellent for my young baby in the case of constipation and colic and it gives me great pleasure to recommend them to other mothers. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Mr. Henry Canneff, a pioneer merchant of Petrolia, died last week. He had been a resident of the town since 1868, in the early days of the oil boom.

A TONIC FOR THE NERVES

The Only Real Nerve Tonic is a Good Supply of Rich, Red Blood.

"If people would only attend to their blood, instead of worrying themselves ill," said an eminent nerve specialist, "we doctors would not see our consulting rooms crowded with nervous wrecks. More people suffer from worry than anything else."

The sort of thing which the specialist spoke of is the nervous run down condition caused by overwork and the many anxieties of to-day. Sufferers find themselves tired, morose, low spirited and unable to keep their minds on anything. Any sudden noise hurts like a blow. They are full of groundless fears, and do not sleep well at night. Headaches, neuritis and other nerve pains are part of the misery, and it all comes from starved nerves.

Doctoring the nerves with poisonous sedatives is a terrible mistake. The only real nerve tonic is a good supply of rich, red blood. Therefore to cure nervousness and run-down health Dr. Williams' Pink Pills should be taken. These pills actually make new, rich blood which strengthens the nerves, improves the appetite gives new strength and spirits, and makes hitherto despondent people bright and cheerful. If you are at all "out of sorts" you should begin curing yourself to-day by taking Dr. Williams' Pink Pills.

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

CHOP STUFF

Michael Gallagher, well-known Ecfrid resident died last week.

The penitentiary population of Canada has increased 500 in the last two years.

A press report states that Major-Gen. A. D. McRae of Vancouver, son of Mrs. McRae of Glencoe, has offered \$10,000 for the building of a half-million dollar armory in Vancouver, provided other public-spirited citizens make up the balance of the amount.

County Engineer Talbot believes that Middlesex county will have two and possibly three Government roads, and that the Longwoods road will be one of these and the Sarnia gravel road the other. Work will no doubt be commenced on one of the roads westward from London in the spring.

Work has been commenced on the transmission line to connect Glencoe with hydro-electric power. Poles have been erected for a distance of two miles east from Bothwell and another construction gang now working at Streetsville is expected to begin on the Glencoe end of the line about the first of February.

IN MEMORIAM

In loving memory of our dear husband and father, Francis R. Doan, who fell asleep in Jesus five years ago, on the 23rd of January, 1915.

From our happy home and circle God has taken one we loved.

He is borne away from sin and sorrow To a nobler rest above.

No one knows how much we miss him None but aching hearts can tell.

Lost on earth but found in Heaven, Jesus doeth all things well.
