THUS, it is written on the faces of young and old to-day!

In those twin joy smiles
we see the fulfillment
of the Christmas Message

"Peace on Goodwill Toward Men"

Not only read it—but understand. Yes, realize that it comes from merry hearts that know romance—hearts that, with every heart, send forth Happiness and the warmth of Love and Best Wishes to all Mankind!

Everybody see—Young again! Glad to live and let live. Finding untold joys in giving with a generous heart—minding not the cost but feeling well repaid if only with a smile. Finding happiness in making others happy. Ah—verily—'tis the spirit of Christmas!

AND from cottage window and palace hallbeams further evidence of this Joyous Season! Welcome holly wreaths here and there. Gayly trimmed firs and pines looking ever so stately with their scores of sparkling ornaments, strands of golden tinsel, multi-colored lights or humble candles. E'en the stars of the Silent Night add their brilliance to the scene. Truly, what could be more enchanting? Stimulating? Sacred

Entering into the spirit of this great occasion, we who have subscribed our names hereto, extend

"A Merry Christmas to All!"

And in further appreciation and good will, we'll add—
