tered. And when the Cars of the Creat

Syracuse, presented a report providing for a reduction fo 2 cents per mile, which was referred to the standing committee on Railroads. The New York & Eric Road in the spring, we are inclined to think, will supercede the necessity of any Legislature action. Committee on the committee of the comm petition is a most effectual regulation of such things, and which shall arise between the two lines traversing the State will be sufficient to induce a reduction of rates which a monopoly of the travelling business has enabled the Central line to keep up so long.—Buffalo

A CHAPTER ON THE WILD FLOWERS weather. In the neighborhood of St. Thomas, C.W. BY A LADY.

(Continued from our last.)

In the swamps and morasses flourish that most elegant of all plants, the Flowering-Rush (Butomus Umbellatus), where its rich umbels of delicate pink flowers rise majestically over the quiet beauty of the white Water-Lilly (Umpha Attha), whose boy, about 16 years of age, as an Apprentice subset blossoms literally cover many parts of the morasses, and challange compari | Printing Office, St. Thomas, Jan. 25, 1851. | tentive Hostler.

We trust that the Councillors who assemble sion, even with the exotics of tropical in London on Monday next, will be careful of climates. The flowers open about seven their power, and bear in mind they are sent in the morning and close about four o'clock to the County Council to express the de- in the afternoon, when they recline on in the afternoon, when they recline or sires, and wants of the people in the Townships where they were elected, that they are not sent to London to vote an enormous into sent to London to vote an enormous instated periods is said to have led to the-formation of a Dial by Linnœus, which crease of taxation for the Railroad specula-tion, or as the people in London Town per-suade them, or want them to vote. We marked the hours by the opening and clos-

'Iwas a lovely thought to mark the hours,
As they floated in light away
By the opening and the folding flowers,
- That laugh to the summer day,
Thus had each moment its own true hue,
And its graceful cup or bell,
I whose sciences was might sleen the d

Amongs the aquatics is a plant called in sort of men," but if they forget their oath see that you remember yours, and keep a jealous eye on the skilful manœuvres that are practised in London. fibres, contrast admirably with its triple The Yarmouth Council met on Monday bright green leaves, and from one of the last, Randolph Johnson, Esq., J. P. being the only Councillor nominated as Reeve, was eleconly Councillor nominated as Reeve, was cleeded without any opponent—and by the cast-the plant is used as a substitute for hops; desirous to see the North part of the Town-chip, as well as the South represented in the County Council. Hugh Douglas, Esq., was ed amongst the rarer British Plants, is elected Deputy Reeve, Mr Oil was nominated found in great plenty on the moist meadow and supported by Messrs. Parish and Me-Credy as Deputy Reege, in opposition to arranged in a spiral line either to the right or the left. CONSUMPTION

Can be, and has been cured in thousands of cases by
this only and certain remedy.

JUDSON'S CHEMICAL EXTRACT OF
CHERRY AND LUNGWORD.
And no remedy has ever before been discovered tha
will certainly Cure Consumption.

Pulmonary Consumption, where the lungs have
been most strongly marked and developed cases and
Pulmonary Consumption, where the lungs have
been discassed and ulcerated, and the cases so utterly
hop-less, as to have been pronounced by Physicians
and friends, to be past all possibility of recovery, and
at times, thought to be dying, has been cured by this
worlderful remedy, and are now as well and hearty as
ever. It is a compound of aedications which are
peculiarly adapted to and essentially hereasary for the
cure of
COUGHS AND CONSUMPTION

COUGHS AND CONSUMPTION Its operation is mild, yet effications; it loosens the phlegm which creates so such difficulty, relieves the cough, and assists nature to exgel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this after the prescriptions of the very-best medical men, and he inventions of kind and sorrowing friends, and nurses, yave failed to give the smallest relief to the consumptive sufferer.

THOUSANDS OF CONSUMPTIVE

THOUSANDS OF CONSUMPTIVE persons have been deceived repeatedly in buying medicines which were said to be infallule gures, but which have proved only palliatives: but this medicine is not only a palliative but a cure for ulcerated lungs. It contains no deleterious durgs, and one stal will grove its instensishing efficacy better than any a sertions or certificates in enting consumpties and all diseases, of the lungs, such as spitting of blood, Couglis, pain in he side and cliest, inglust-savetais, & threadcloss efficacy better than any a sertions of the business. About 1000 certificates of almost mirradions efficacy better than any a sertions of the business. About 1000 certificates of almost mirradions efficacy better than a series of the series of

 For Cogiveness in females and males, and nervous complaints.
 For Stomach affections, Dyspepsis, Piles, thermatism, &c. The great points are, it is not book to take, never gives pain, and never leaves one costive.

ne costive.

Dyp-cosia and Liver Complaint cured by the use.

Outposses Great Western Indian Panacea, warranted to cure the most severe cases of the above complaints. Loss of appetite, billious above complaints. of appetitic, billious and ladigestion, are permanently cared by its use. The great points are, it is not bad to take; it does not leave the bowels costive, and never gives pain in its operations. This Panacea, will remove all the bad bile from the stomach, and gives tone to the system, and keeps off attacks of malignature forces. It the stomach him. will positively perform, and we recommend all to this article if they wish to ensure health during year. As a family medicine, it is unparalelled for coughs, colds, and all diseases of the blood and kidney, and scrofula complaints.

Use Dr. LARZETTI'S ACOUSTIC OIL, for

Grey ! !! Phenomenon in Chemistry !!

EAST INDIA HAIR DYE Colours the Hair and will not the Skin. This dye may be applied to the hair over might, the first night rurning the lightest Red, or Grey Hair to a dark Brown, and by repeating a second night, to a bright forming the lightest Red, or Grey Hair to a dark Brown, and by repeating a second night, to a bright-jet Black. Any person, may, therefore, with the least possible trouble, keep his hair to any shade, or perfect black; with a positive assurance that the doe, if ap-plied to the skin, will not colour it. By an occasional application, a person turning grey, will never be known to have a grey hair. Directions complete with the can easily test.

article. There is no coloring in this statement, as one can easily test.

[4] J⁵ These facts are wrranted by the gentleman who manufactures it, who is the celebrated Chemist Dr. COMSTOD, suther of Comstock's Chemistry Philosophy, and other works, and School Books, welknown, and widely celebrated by the public.

Enquire for Comstock's Almanac for 1851: which will be given gratis. Wanted, one agen, nevery town in Canada to sell these articles, by which they can make 100 per cent. on. Remember and ask for Judson's Chorry and Lungwort, in Large Bottles, and take no other. Address, COMSTOCK & BROTHER, No. 9, John Street New York

TO THE LADIES.-THE GENUINE BALM OF COLUMBIA FOR RESTORING THE HAIR

"Long hair is a gloty to a woman," says Paul, And all feel the truth of the prous quotation; Preserve it then, ladies, your glory may, full, Unless you protect it with this preparation.

If you wish a rich, luxurious head of hair, free If you wish a rich, luxurious head of hair, free from dandruff and scruff, do not fail to procure the genuine Balm of Columbia. In cases of baldness, it will more than exceed our expectations. Many who have lost their hair for twenty years have had it restored to its original perfection by the use of this balm. Age, state, or condition, appears to be no obsticle whatever; it also causes the fluid to flow, with which the delicate hair tuber are filled, by which means thousands (whose hair was grey as the Asiatic eagle) have had their hair restored to its natural color by this invaluable rerestored to its natural color by this invafuable re-medy. In all cases of fever it will be found the ost pleasant wash that can be used. plications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails

to impart a rich glossy sppearance, and as a per-trine for the rasor it is gnequalled. I holds three times as much other miscalled hair restoratives. CAUTION - Never buy it unless you find the name of Comstock & Co, proprietors, on the wrapper of each bottle, or you are cheated with a counterfeit article.

WHO WANTS MONEY!!!

The Subscribers will pay the highest market price in Cash, for any quantity of good Merchantable OATS! delivered at their storehouse in Port Stanley.
