

superior to the American, the flesh of the fruits is finer, more juicy and toothsome, whereas a good many of the California Newton apples are hard and quite different to those sent from Canada. This is proved indirectly by the excellent prices which rule for the best Canadian stuff. We throw out a hint to the retail fruiterers and

dealers in the cities and towns of the United Kingdom. Why not ticket these fruits as "Canadian"? If that were done the public would do its duty without hesitation, and a taste of "the real thing" would soon create an immense demand for the finest of fruits from the fair Dominion of Canada.
