 most stubborn, Kidney Trouble or Eczema.

W. N. Learn, of Westminster whose name is
 familiar to all lovers of good cheese, says:

"I suffered 18 months from Eczema or Itch
 Poison. I paid \$150 to doctors and used \$16 worth
 of Ointment remedies without securing any benefit.
 By this time my system was thoroughly poisoned.
 I offered one of the leading physicians of London a
 horse worth \$150 to cure me, which he declined to
 undertake. On the 29th day of September I pur-
 chased \$1.50 worth of TOTEM OF HEALTH REME-
 DIES, and in 14 days I was entirely cured, and I
 make this statement and authorize its publication in
 order to benefit others."
