#### **GROUND BONES!** GROUND BONES!

A LENGTHENED experience in Europe and the United States has shown this to be the most

the United States has shown this to be the most valuable fertilizer for every crop.

During the past season THE PROPRIETOR
OF THE WELLINGTON TANNERY has totally
altered his machinery for preparing this valuable
manure, and is now prepared to supply Agricultural Societies and the public generally with

# FINE GROUND BONES

of a quality far superior to any that can be imported.

PRICE-Delivered at Wellington Station-Fine Ground Bones - - - \$40.80 per ton.

The machinery being now in thorough work ing order, orders will receive prompt attention and despatch.

As the supply of BONES, in this Province obtainable for grinding is yet very limited, customers are requested to send forward their orders as early as possible, in order to ensure obtaining a supply for this years crop. Address:

MANAGER, WELLINGTON TANNERY. Onkfield, Halifax County.
