MONTREAL MINING EXCHANGE.

Reported by W. I. Fenwick, Exchange Court, 10 Hospital Street, Bell Tel. Main 8035, Bell Tel. Up 1867.

DIVIDEND. SHARES. STRONG—BUSINESS VERY QUIET.

The strength of the best mining shares in the face of the disturbing influences which have obtained the past week is a proof of the good manner in which they are held.

Whilst a flurry in War Eagle temporarily put the price down to \$3.55 it quietly recovered to \$3.64 with small transactions.

Republic is as strong as it was before the bank troubles and to-day is scarce \$1.18½ being freely bid—ex dividend of 1 p.c.

Montreal-London was sold to a very limited extent at 42, but as only a broken lot changed hands the price is really not a quotation.

Golden Star has been dull and is lower, reports from the West claim that much higher than current prices have been bid for round lots. As the special meeting of August 10th is called for the purpose of making a full statement to shareholders, no excitement in the stock is likely till these particulars are known. The stock also sold at 45 which would be paid for more.

Virtue was dealt in at 44½ and 45. As the Cumberland deal has been completed and as 50½ was paid for the stock all theories should make Virtue of a similar value. Those who bought Cumberland are not however, looking to small profits their idea being that within six months dividends will be forthcoming and Virtue will then sell at old prices say, in the eighties.

Prices were well maintained in the general list trades being made in Big Three, Slocan-Sovereign and Iron Colt.
