you, and ordained
you, that ye
should go and
bring forth fruit.

JOHN xv. 16.

OUR Parlor has been enlivened this past week by the presence of a number of beautiful plants, the gift of Mr. R. Connors. They brighten up the rooms, and have been much admired by the visitors. We gratefully acknowledge the gift, and trust that others of our friends may send us some more.

WORKERS' TRAINING CLASS

At the Convention held in Atlanta, special emphasis was laid upon the great importance of having in each Association a Workers Training Class. Recognizing the need, we have commenced such a class for our Workers, meeting every Thursday evening at 8 o'clock. The first half hour will be devoted to study about the Bible, for the purpose of securing Biblical knowledge; the second, to study in the Bible, and for its application in various forms of Christian work.

The class is a pledged one, and limited in number to 25. We still lack three of the number, and any worker desirous of such a course of study as this class affords should at once give his name to the General Secretary.
