

WE TAKE NO NOTE OF TIME BUT OF ITS LOSS, yet it has taxed the ingenuity of man to note this loss correctly.

THE WALTHAM WATCH approaches the perfection of time-keeping nearer than any other class of watches made. They run and keep time as the rule, not as the exception. This is the result of original and accurate machinery by which a thousand can be produced exactly alike—the result of perfect accuracy can therefore be produced at less cost than by any hand process. The grades of the Waltham watches are "American Watch Company," "Appleton, Tracey & Co.," "Waltham Watch Company," "P. S. Bartlett," and "Wm. Ellery." All the grades are guaranteed by the Company. Buyers should demand the guarantee to prevent being imposed on by worthless imitations. These watches in Gold and Silver cases of all sizes for Ladies and Gentlemen, can be obtained through all dealers.

THERE IS NO SPECIFIC FOR CONSUMPTION and Scrofula. Dyspepsia, resulting in depraved nutrition and impoverished blood, lies at the foundation of these formidable diseases. The only rational method of treatment consists in improving Digestion. Assimilation and the formation of Healthy Blood. Dr. Wheeler's Compound Elixir of Phosphates and Calceola, immediately restores tone and energy to the stomach, enabling the invalid to digest and assimilate a proper amount of nourishment, and thus to arrest decline. Phosphates are now the chief reliance of the medical profession in the treatment of Chronic Wasting Diseases; and every one that has used Dr. Wheeler's preparation will attest to its great superiority and elegance over every other combination, and its thorough reliability. Its action is prompt, progressive and permanent, invigorating and vitalizing all the organs of the body, with no liability of a relapse. Sold by all druggists.—6-26 a.

THE LIFE ASSOCIATION OF SCOTLAND.

(FOUNDED 1838.)

PROGRESS & FINANCIAL POSITION.

From its commencement, thirty-four years ago, the business has been marked only by uninterrupted progression. The new Entrants in the year just closed (5th April last, 1872) have considerably exceeded those of any former year; and the Accounts for the year, now in the course of being made up and audited, will exhibit a corresponding and considerable advance on the Statements of the previous year 1871.

At the 32nd Annual Meeting, the following were reported as the results at 5th April, 1871:

17,395 Life Policies in force.	£7,269,051 Stg.
338 Life Annuities do.	14,744 " "
Annual Income.	£306,715 Stg.
Funds on hand.	1,382,409 "
Claims for the year.	109,467 "
Total claims paid.	1,359,467 "

Additional Bonuses were declared to the Policyholders, namely,—

Reversionary Bonus Additions to the Sums Assured in Class B, amounting to.....£163,521 Stg.

Cash Bonuses for the year to Policyholders in Class A, to be applied towards payment of their next premiums, and amounting to..... 38,811 "

The Total Cash Bonuses paid under Class A have been £483,907 Stg., equivalent to Ordinary Additions to the Sums Assured of nearly

ONE MILLION POUNDS STERLING.

PROTECTIVE REGULATIONS IN FAVOUR OF POLICY-HOLDERS.

The CONDITIONS of the Policies are unusually favourable as regards Indisputability, Non-Forfeiture, Residence, &c. In Class B there are almost no Conditions or Restrictions, the Policyholders being free to reside in any part of the world.

The UTMOST PROTECTION is afforded under accidental omission, or inability, to pay premiums; and the Policy-holder's convenience or wishes are met in as far as possible by arrangements for postponing the payment of Premiums; Loans to the extent of the Value of the Policy; Reduction of Assurance and Premiums to a smaller amount, &c.

The NON-FORFEITABLE PREMIUM System is specially designed to protect the Policy-holder from loss if he should, from any cause, discontinue his premium payments.

IN SURRENDERING the whole or a portion of his Assurance, the Policy-holder of more than two years' standing is allowed an ample Value in cash, or (in most cases) a Paid-up Policy. A special calculation of this value is made in each case, with due regard to the circumstances of the Policy, and the interests of the other Assured.

DR. RADWAY'S SARSAPARILLIAN RESOLVENT.—THE GREAT BLOOD PURIFIER.

Every drop of the Sarsaparillian Resolvent communicates through the Blood, Sweat, Urine and other fluid, and juices of the system the vigor of life, for it repairs the wastes of the body with new and sound material. Scrofula, Syphilis, Consumption, Glandular Disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands, and other parts of the system, Sore Eyes, Strumous Discharges from the Ears, and the worst forms of Skin Diseases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Ache, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all Weakening and Painful Discharges, Night Sweats, Loss of Sleep, and all wastes of the Life Principle, are within the curative range of this wonder of Modern Chemistry, and a few days' use will prove to any person using it for either of these forms of disease its potent power to cure them. If the patient, daily becoming reduced by the wastes and decomposition that is continually progressing, succeeds in arresting these wastes, and repairs the same with new material made from healthy blood, and this the Sarsaparillian will and does secure, a cure is certain; for, when once this remedy commences its work of purification and succeeds in diminishing the loss of wastes, its repairs will be rapid, and every day the patient will feel himself growing better and stronger, the food digesting better, appetite improving, and flesh and weight increasing.

Not only does the SARSAPARILLIAN RESOLVENT excel all known and remedial agents in the cure of Chronic, Scrofulous, Constitutional, and Skin Diseases, but it is the only positive cure for

KIDNEY AND BLADDER COMPLAINTS, Urinary, and Womb Diseases, Gravel, Diabetes, Dropsy, Stomachic Water, Incontinence of Urine, Bright's Disease, Albuminuria, and in all cases where there are brick-dust deposits, or the water is thick, cloudy, mixed with substance like the white of an egg, or threads like white silk, or there is a morbid, dark, bilious appearance, and white bone-dust deposits and when there is a pricking, burning sensation when passing water, and pain in the Small of the Back and along the Loins.
