BIVALVULAR.

IT was a maxim of Euripides either to keep silence or to speak something better than silence. Whether this maxim is worthy of imitation or not must be decided by a discriminating public. There is, however, one important truth which demands a word, and that is, there is no one article of food more universally palatable than the oyster, and yet, even in the present day, very few really know what a good oyster is, or where the best can be obtained. The best judges affirm that in no other place in the city can as good an article be found, as at

THE AMERICAN OYSTER COMPANY'S
DEPOT,
No. 17, PLACE D'ARMES.

In view of this indisputable fact J. B. BUSS, (who has been connected with the business for the last 15 years) is determined that everybody shall understand where the luxury may be found. To every lover of the BIVALVE he would say

BUY NONE BUT
J. B. BUSS' OYSTERS.

They are put up in the neatest possible manner, and delivered to any part of the city, and furnished either in cans, kegs, bulk, or in the shell.
By leaving your orders at 17, PLACE D'ARMES you will be sure to get the best Oysters in the city.

THE TORONTO TELEGRAPH.
TO ADVERTISERS.

The immense increase which has taken place in our circulation during the last three months, and also the constantly increasing pressure of advertisements upon our available space, compel us to make an advance in our advertising rates. The circulation of our Daily issue now amounts to 25,760 copies; while our Weekly has made such rapid strides, that we now print over 33,000 copies of every issue, and it still keeps on increasing. It has many times been said that the success of our paper is without a parallel in the history of Canadian journalism, and those who said so spoke the truth. There is not a corner of the Dominion into which THE TELEGRAPH does not now find its way. We have subscribers in every quarter, from Nova Scotia to Manitoba; and we are adding to our list hundreds of names each day. For these reasons THE DAILY TELEGRAPH is now the very best advertising medium in the Dominion of Canada, and we are therefore warranted in increasing our advertising rates. We had intended doing so some time ago, but finally came to the conclusion to allow the rates to remain unchanged till the end of the year. The beginning of the year being the best time to inaugurate such a change, our new rates shall be charged on and after this date, and shall be as follows:—

In THE DAILY TELEGRAPH, wants, etc., will be charged Twenty-five Cents, when containing not more than twenty words, prepaid; and One and a Half Cent for each additional word. All other advertisements Ten Cents per Line of nonpareil for each insertion. All advertisements under Ten Lines will be charged One Dollar.
Advertisements for the Weekly will be charged Twenty Cents per line for each insertion.
Special bargain rates can be obtained at the office on application.

ALBION HOTEL,

McGill and St. Paul Streets, Montreal, Canada.

The Hotel is furnished in a superior manner, and everything arranged with a view to the comfort of guests. As one of the largest Hotels in the Dominion, having ample accommodation for five hundred guests, while kept in first-class style, the moderate sum of \$1.50 per day will be charged, as heretofore. 63 WATCH!

THE GREAT EUROPEAN
Eureka Aluminum Gold Watch Co.

HAVE APPOINTED
J. F. WILLIAMS & CO., JEWELLERS,
561 Broadway, New York,

SOLE AGENT FOR THE U.S.,

And have authorized them to sell their great EUREKA ALUMINUM GOLD WATCHES for Three Dollars, and to warrant each and every one to keep correct time for one year. This Watch we guarantee to be the best and cheapest time-keeper that is now in use in any part of the globe. The works are in double cases, Ladies' and Gents' size, and are beautifully chased. The cases are made of the metal now so widely known in Europe as Aluminum Gold. It has the exact colour of Gold, which it always retains; it will stand the test of the strongest acids; no one can tell it from Gold only by weight, the Aluminum Gold being one-fourth lighter. The works are all made by machinery, the same as the well-known American Watch. We pack the Watch safely in a small box, and send it by mail to any part of the United States on receipt of \$3.50; fifty cents for packing and postage. A key is sent free with each Watch. Money should be sent by Post-Office Money Order, or in a Registered Letter. Address all orders and communications to
