

Good morning! Have you used
Pears' Soap?

A Word to Mothers

The comfort of a baby largely depends upon the condition of its skin, which is so tender and sensitive that only constant and unremitting care can keep it free from irritation. The first necessity and safeguard in these matters is a soap that will act like balm upon the baby skin, that soothes while it cleanses, is kind to the skin, and of a gentle emollient daintiness. No soap answers to this description so completely as

Pears' Soap

No soap is so comforting for a baby, so pure or so perfect in its hygienic influence. Bad soaps injure the skin and worry the baby, Pears softens, preserves and beautifies.

The skin of a baby is kept sweet, wholesome and healthy and retains its baby softness and beauty to later years by the regular use of Pears.
