Asthma of Thirty Years Standing.

Mr. Seth W. Fowle— Sir,—Having been afflicted for than more thirty years with the Asthma, at times so severely as to incapacitate me from attendance to business, and having adopted many medicines without any but temporary relief, I purchased, about three years since, of Mr. Edward Mason, your agent in this city, several bottles of Wistar's Balsam of Wild Cherry, from the effects of which I obtained more relief than from all the medicine I had ever taken for that distressing disorder. I have by the repeated use of your valuable Balsam, been more free of pressure for breath, and oppression on the lungs, than I anticipated, and indeed conceive myself cured of the most distressing malady.

I do most cheerfully tender you this acknowledgment which you will use as your judgment dictates. Argus Office, Portland, March, 26, 1846. C. D. MAYNARD, The genuine is signed I. BUTTS. For Sale by ROBT. LOVE, and LYMAN & KNEESHAW Drugists, King Street, only Agents for Toronto.

THE COLONIAL LIFE ASSURANCE COMPANY

Registered and Empowered under Act of Parliament, 7 and 8 Victoria, Cap. 110.

CAPITAL £500,000 STERLING.

GOVERNOR:

The Right Honourable the Earl of Elgin and Kincardine, Governor General of Canada, &c., &c., &c.

HEAD OFFICES:

EDINBURGH, 1, George Street. LONDON, 4, A. Lothbury. GLASGOW, 35, St. Vincent Place. MONTREAL, 49, Great St. James Street.

THE Directors of the Colonial Life Assurance Company being desirous to afford all those advantages to their Policy-holders in this country, which are commanded by Assurers in Great Britain, have invested the Board in Montreal with full powers to examine into and accept proposals, putting the Company on the risk, at once, without communicating with the Parent Board.

A party has it in his power to effect an Assurance on his Life immediately, without incurring the delay to which Life Assurers in this country have hitherto been subjected, from the sanction of the Head Board being required to complete the transaction; the deliverance of the Board at Montreal being final and irrevocable.

This arrangement gives to the COLONIAL all the facilities of a Company essentially local; and, combined with the additional advantage of a large Guaranteed Capital, affords the most perfect security in all Assurance transactions.

The Colonial Life Assurance Company

Has been established for the purpose of extending the benefits of Life Assurance in the Colonies of Great Britain, and affording increased facilities to persons assured in passing from one country to another. The success which has attended its operation testifies how greatly such an Institution was required, and how much it has been appreciated.

IN BRITISH NORTH AMERICA

The Company has been received by all classes in the most satisfactory and welcome manner, and the number who have connected themselves with it by Assurance, show how very much such an Institution on a broad and liberal basis was required.

THE CAPITAL OF THE COMPANY

Gives complete security for all its transactions; and parties dealing with the Office incur none of the risks of Mutual Assurance.

THE RATES

Adopted have been framed after a most careful and searching inquiry as to the value of life in different countries, and the Directors are confident that they have adopted a scale as can be held, compatible with safety.

PROGRESS OF THE COMPANY.

The Colonial commenced business in 1846, and the result which has attended its operations fully bears out the anticipations of success which its founders entertained. The Company have granted Assurance, during the last two years alone, to the extent of £300,000 sterling.

DIVISION OF PROFITS.

The Directors look forward with confidence to a very favorable result at the first Division of Profits in 1854, and persons assuring before 25th of May, 1850, will participate in that Division to the extent of five years' claim for bonus.

Every information can be obtained by application at the Company's Offices, KING-STREET, TORONTO.

CAPITAL—ONE MILLION STERLING. Reduced Rates of Premium—Half Credit Rates Premium.

THE great and decided success which has attended this Institution, has induced the Directors to reduce the rates originally required in British North America, to the ordinary European rates.

The result of such reduction is to enable parties to avail themselves of the important benefits of Life Assurance, at much lower rates of Premium than those of any other Assurance Company transacting business in Canada.

The most liberal conditions are offered to the assured in the limits to which they may proceed by sea or land. Detailed prospectuses and every requisite information may be obtained on application to F. H. HEWARD, Agent for Toronto. OFFICE—New Market Buildings, Toronto, 7th May, 1850. 41-1f
