C. C. Richards & Co.,

Dear sir,—I cannot find words to express my thanks to you for your good advice and valuable Liniment that you gave me on board of the S.S. St. Pierre. The foot that you and the other gentleman saw so severely crushed by the falling of such a heavy anchor on it, I am glad to say is now nearly well; yesterday I was able to go out on the street, and after a few days more it will be as well as ever. It was the opinion of some of our skillful doctors here that I would not be able to move it for six weeks, but I am happy to say Minard's Liniment has set them at defiance, and by applying it has restored it back without pain or trouble, only according to the directions on the bottle. For the future I shall not be without it either at sea or on shore. Yours truly,

MICHAEL PHILAN.

"I heartily recommend Puttner's Emulsion to all who are suffering from Affections of the Throat and Lungs, and I am certain that for Wasting Diseases nothing superior to it can be obtained."

"I have been suffering from Pulmonary Diseases for the last five years. About two years ago, during an acute period of my illness I was advised by my physician to try PUTTNER'S EMULSION. I did so with the most gratifying results. My sufferings were speedily devastated, my cough diminished, my appetite improved. I added several pounds to my weight in a short time and began to recover in strength. This process continued until life, which had been a misery to me, became once more a pleasure. Since then Puttner's Emulsion has been my only medicine. As one who has fully tested its worth I heartily recommend it to all who are suffering from affections of the Lungs and Throat, and I am certain that for any form of Wasting Diseases nothing superior can be obtained."
