

A Minister of the World

By Caroline Atwater Mason

The love story of a young and clever country minister who leaves his rural New England parish for the pulpit of one of the most fashionable of New York's churches. His conflicting feelings of duty and of love afford the main theme for a strong romantic interest to the story, and give an interesting series of glimpses of life, divided between a quiet country parish and the gay social world of a fashionable New York congregation.

The story will have a series of striking illustrations drawn for it by W. T. Smedley. Begins in the NOVEMBER issue of
