LIVER PILLS,

FOR THE CURE OF

Hepatitis or Liver Complaint, DYSPEPSIA AND SICK HEADACHE

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge f of the ribs, increases on pressure; someames the pain is in the left side; the paient is rarely able to lie on the left side; sometimes the pain is felt under the shoul, der blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general arc costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a pain. ful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendar The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER.

Dr. M'Lane's Liver Pills, in Cases OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with his disease to give them A FAIR TRIAL.

Ayer's Sarsaparilla

For Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Eruptions and Eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys. Lungs, Pimples, Pustules. Boils, Blotches, Tumors. Tetter, Salt Rheum, Scald Head, Ringworm, Ulcers,

Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Weakness, Sterility, Lencorrhea, arising from internal ulceration, and Uterine disease. Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives - Stillingia, Mandrake, Yellow Dock - with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known the diseases it is intended to cure.

Its ingredients are so skilfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience

of its usefulness. Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.

DÉ LA SALLE INSTITUTE. Nos. 18, 20 & 22 Duke Street,

TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is un der the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank—now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what ever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country.
With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual development of the students committed to their care The system of government is mild and paternal

FITS!

FITS! FITS! FITS!

CURE OF EPILEPSY: OR. FALLING FITS. BY HANCE'S EPILEPTIC PILLS.

Persons laboring under this distressing malady, will find Hance's Epileptic Pills to be the only remedy ever discovered for curing Epilepsy or Falling Fits.

The following certificates should be read by all the afflicted; they are in every respect true, and should they be road by any one who is not afflicted himself, if he has a friend who is a sufferer, he will do a humane act by cutting this out and sending it to him.

A MOST REMARKABLE CURE.

A MOST REMARKABLE CURE.

SETH HANCE, Baltimore, Md.— Dear Sir; Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1933. Immediately my physician was summoned, but he could give me no relief. I then consulted snother physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I ngain returned to my family physician; was cupped and bled several different times. I was generally attacked without any permonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and wonlifeld wherever I would be, or whatever be occupied with, and was severely injured several times from the falls, was affected so much that I lost all confidence to myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1863, I commenced to use your Pills, and only had two attacks sile cwards. The last one was April 5th, 1863, and they were on a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by caling my residence, No. S8 North Third St., Philadelphia, Elder.

IS THERE A CURE FOR EPILEPSY:

IS THERE A CURE FOR EPILEWSY?

The subjoined will answer.

Grenada, Miss., June 30.—Effil S. Hance.—Dear Sir:
You will find enclosed five dollars, which I send you here
two boxes of your Epileptic Pills. I was the first person
who tried your Pills in this part of the country. My sen
was badly affirited with his for two years. I wrote for
and recelved two boxes of your Pills, which he took according to directions. He has never had a fit since. It
was by my persunsion that Mr. Lyon tried your Pills.
His case was a very bad one; he had fits nearly all his
life. Persons have written to me from Alabama and
Tonnessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have a liways
recommended them, and in no instance where I have
and a change of handing from their effect have they recommended them, and in no instance where I have had a chance of hearing from their effect have they failed to cure. Yours, etc. C. H. Gry. Grennda, Yalabusha Conaty, Miss.

ANOTHER REMARKABLE . CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC PILLS.

By HANCE'S EPILEPTIC PILLS.

MONTGOMERY, Texas, June 20th, 18-7.

To Seth S. Hance:—A person in my employ had been afflicted with Firs, or Epilepsy, for thirteen years; he had those attacks at intervals of two to four weeks, and oftentimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally denuged, in which state he would continue for a day or two after the fits ceased. I tried several remedies prescribed by our rostlent physicians, but without success. Having seen your advertisement I concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal wagoner, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial.

E. L. Defferes:

STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Gremada. Mississippi.

Seth S. Hance. Buildinger, Md.—Dear See, I take great pleasure in relating a case of Spanus, or Fite, cured by your invaluable Pills. My brother, J. J. Jigoon, has fond been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spanus at one attack at first, but as he grew older they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, prostrating him, body and mind. His mind had suffered sericully, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will cure them. Yours, respectfully, etc., W. P. Lioon.
