These magnificent Ships are all AMERICAN BUILT, and constructed expressly for Packets. They are all New and of the First Class, being built on the most improved principles, and of the best materials. They possess all modern improvements which conduce to health and comfort, as a superior sysments which conduce to health and comfort, as a superior sys-tem of lighting and ventilating, the very best Provisions, and a careful medical superintendence. The Captains have been enrefully selected as first rate sailors and men of humanity, and an experienced Surgeon is attached to each Ship, and no expense is spared to render this the best and the most popular conveyance to America. As Train & Co. have made such arrangements in Liverpool as will Protect their friends from the franks and impositions sometimes transited there then be the frands and impositions sometimes practised there, they bethe trans and impositions sometimes practised there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favorable terms, for a well known Line of magnificent Packet Ships, and in this way avoid the disfespect, annoyance and delay which they so often experience, when they engage with Agents who are but slightly connected with transient Ships.
