er ha NEW, AND REVISED EDITION.) THE LIFE OF ST. ELIZABETH OF HUNGARY By the Count de Montalembert. The Life, trans-

lated by Mary Hacket, and the Introduction, by Mrs. Sadlier. 12 mo., of 427 pages, with a may steel engraving. Cloth, 5s; cloth gilt, 7s 6d.

The first edition of Three Thousand having all been sold, and there being many calls for the work, we have put to press a New Edition. The translation has been read over with the French copy and carefully corrected.

O the merits of the work, we can safely say, that no bisgraphy ever issued from the American Press equals it-it's as interesting as a romance.

The Press have been unanimous in praise of the first edition. We give extracts from a few of them : "The book is one of the most interesting, instructive, and edifying that have been produced in our times, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, c layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste and breathes the firmest faith and the most tender piety. His work is as refreshing as springs of water in a sandy desert.... Let every one who can read purchase and read this beautiful Life of one of the most lovely and most favored Saints that have ever been vouchsafed to hallow our earthly pilgrimage. Brownson's Review.

master, and it loses nothing in Mrs. Sudlier's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the Life itself, we cannot speak too highly. The exquisite character of 'the dear St. Elizabeth,' (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears from the heart. We do not think there is any book of the kind in English, at all to be compared to this 'Life of Saint Elizabeth.'"-American Celt.

"We might say much in praise of the narrative and Life of St. Elizabeth, attending which, from the beginning to the end, is a charm which cannot fail to attract and secure the attention of the reader, did not the well known abilities of this distinguished author render it unnecessary We cheerfully recommend the work to our readers."-Pilisburg Catholic.

"This magnificent work of the great French Tribune of true liberty, has at last been translated into English. The name of its Author is a sufficient guarantee for the value of the work. Montalembert is one of the lights of the age-a man who combines rare power of intellect, with unswerving devotion to the cause of liberty and the Church. . Let_every one who desires to study the spirit of the Middle Ages,

read this book."--Catholic Telegraph. D. & J. SADLIER & CO., Cor. Noire Dame and St. Francis Xavier Sts.
