This Company will sell its instruments at prices
ranging from \$10 to \$25 per set. These instruments
are under the protection of the Company's patents,
and purchasers are therefore entirely free from risk
of litigation.

This Company will arrange to connect places not
having telegraphic facilities with the nearest tele-
graph office, or it will build private lines for firms or
individuals, connecting their places of business or
residences. It is also prepared to manufacture
all kinds of electrical apparatus.

For particulars apply at the Company's Offices
as above.

Sole Agents for Canada for the

EVERFAST STAINLESS HOSIERY.**Mercantile Summary.**

ONTARIO butter is again heard from. It is
said that orders for no less than 8,000 pounds
were taken in Moncton, N.B., one day recently,
by an Ontario firm.

THE Parkhill friends of Mr. John M. Duff,
late manager of the Bank of Commerce there,
have presented him with a gold watch and
chain on the occasion of his transfer to
Guelph.

THE following officers have been elected at
the annual meeting of the Levis, Que., Board
of Trade: President, Mr. L. E. Couture; vice-
president, Mr. N. Lacerte, M.D.; secretary,
Mr. A. Lemieux.

A DEALER in crockery, at Winnipeg, named
Joseph Le Blanc, has been losing ground for
some time, and has at last assigned. Credit-
ors will be lucky if they get a dividend; they
need not expect a large one.

A MAN who stops his paper because there is
something in it he does not like, should, to be
consistent, says the California Fruit Grower,
get up and leave the hotel table if he happens
to discover on the bill of fare something that
does not suit his taste. He would be just as
consistent in one act as in the other.

It is only about a year since E. C. Booth
removed from Brandon to Nanaimo, B.C.,
where he opened a fruit and confectionery
business along with one Pargetter. Not being
able to make any money at this business he
has assigned.—A little over a month ago
Allan McLean sold his grocery business to his
brother, who is said to have advanced money to
him. Now creditors will find that the assets
consist almost entirely of book debts, which
will pay a very small dividend.
