

HIDES AND TALLOW.—The situation is totally unchanged from that of a week ago. The competition from outside hide buyers is not so active, but the strong advance in price of a fortnight ago is fully sustained, dealers buying beef hides on the basis of 11c. per lb. for No. 1; calfskins, 10 and 8c.; lambskins, 20c. each. The receipts of hides are showing a little increase, but all supplies are well absorbed. Tallow continues in the usual dull state, and we quote 1 to 1½c. per lb. for rough, and 3 to 3½c. for rendered.

HOPS.—Transactions reported are few in number, and very moderate in extent. We quote choice Canadians at 13 to 15c., yearlings 8 to 10c. per lb. The growing crop is said to promise well.

LEATHER.—Shoe manufacturers in this city do not seem to have got well into the cutting of fall stock yet, and no very large parcels of leather are being bought by them thus far. Quebec manufacturers also report some delay in the placing of shoe jobbers' orders. The export trade in leather is, however, well maintained, and letters from tanners generally complain of the disparity in the prices of hides and of leather, and hint at stiffer prices. We quote: Spanish sole, B.A., No. 1, 24 to 25c.; do., No. 2, 22½ to 23½c.; No. 1 ordinary Spanish, 23 to 24c.; No. 2, 20 to 21c.; No. 1 slaughter, 26 to 28c.; No. 2, do., 24 to 25c.; common, 20 to 21c.; waxed upper, light and medium, 30 to 35c.; do., heavy, 27 to 30c.; grained, 32 to 35c.; Scotch grained, 30 to 35c.; Western splits, 22 to 25c.; Quebec do., 18 to 20c.; juniors, 18 to 20c.; calf-splits, 30 to 35c.; calfskins, (35 to 40 lbs.), 60 to 65c.; imitation French calfskins, 65 to 75c.; colored calf, American, 25 to 28c.; Canadian, 20 to 24c.; colored pebble cow, 13 to 15c.; russet sheepskins linings, 30 to 40c.; colored 6 to 7½c.; harness, 24 to 27c.; buffed cow, 13 to 15c.; extra heavy buff, 15c.; pebble cow, 13 to 13½c.; polished buff, 12 to 13c.; glove-grain, 12 to 13c.; rough, 22 to 23c.; russet and bridle, 35 to 45c.

METALS, ETC.—Since last report we hear of the sale of a 300-ton lot of No. 3 Hamilton pig iron at \$14.50, but no notable transactions have transpired in other brands of either domestic or Scotch. Somewhat contradictory reports are heard regarding Canada plates, one buyer claiming he could get 52's at \$2.07½, but the general asking price is \$2.15, and \$2.30 for 60's. Charcoal tins are quiet, but there is pretty steady request for cokes. English quotations for these lines are very firm, and there seems some expectation that the colliers' strike in Wales will extend, in the near future, to the plate makers. We quote: Summerlee pig iron, \$17.50 to \$18; Carron, No. 1, \$18; No. 3, \$17.25; Ayresome, No. 1, \$17.50; No. 3, \$16.50; Shotts, \$17.25 to \$17.50; Carnbroe, \$16, ex-store; Feronna, No. 1, \$15; Hamilton, No. 1, \$15 to \$15.50; No. 2, ditto, \$14 to \$14.50; machinery scrap, \$14 to \$15; common ditto, \$12 to \$13; bar iron, Canadian, \$1.40 to \$1.50; British, \$2 to \$2.15; best refined, \$2.40; Low Moor, \$5; Canada plates—Pontypool, or equal, \$2.15, 52 sheets to box; 60 sheets, \$2.25 to \$2.30; 75 sheets, \$2.35 to \$2.40; all polished Canadas, \$2.40 to \$2.45; Terne roofing plate, 20 x 28, \$5.75 to \$5.90; Black sheet iron, No. 28, \$2.25; No. 26, \$2.15; No. 24, \$2.05; No. 17, \$2; No. 16 and heavier, \$2.15; tin plates—Bradley charcoal, \$5.60 to \$5.70; charcoal, I.C., Alloway, \$3.15 to \$3.25; do., I.X., \$3.90 to \$4; P.D., Crown, I.C., \$3.60 to \$3.75; do., I.X., \$4.50; Coke, I.C., \$2.90 to 2.95; do., standard, \$2.75 to \$2.80 for 100 lbs.; coke, wasters, \$2.70; galvanized sheets, No. 28, ordinary brands, \$4; No. 26, \$3.75; No. 24, \$3.50 in case lots; Morewood, \$5 to \$5.10; tinned sheets, coke, No. 24, 5½c.; No. 26, etc., the usual extra for large sizes. OILS, PAINTS AND GLASS.—Rather more enquiry is reported for Paris green, which has been somewhat quiet, and for which quotations are very firm, at the recent advance. Dry leads are, if anything, firmer abroad. A fair volume of business is reported for the season, with values generally very steadily held.
